DESCRIPTION: Great looking and performing Pearson recurve. Attractive Zebrawood riser. Bow has no delamination; no cracks; limbs are straight. Double-sided overlay tips. Beveled arrow shelf. Overlays and tips are in great condition. One small crack on the arrow shelf that was filled with wood epoxy. No crazing or stress cracks; a few stress lines in the riser fade-outs that were filled with loctite. A few minor scratches and nicks here and there. Decal is in excellent condition. One significant cosmetic flaw with this bow is a filled hole on the back of the bow towards the top of the sight window (see pic on p. 5).

Comes with a new string.
