

May 1, 2020 Correction to April 29,2020

Dear CampOut Supporter,

We are disappointed that the Virginia Women's Music Festival for 2020 will be canceled due to Covid-19. This was a very difficult decision for us. Everyone's health is the most important thing for us. We will be rolling over any tickets purchased for 2020 to the 2021 Music Festival. Festival dates for 2021 are **May 27-31, Memorial Day weekend**. CampOut owns the land where the festival is held and have expenses throughout the year for maintaining the land and preparing for the next Music Festival. We use Music Festival to pay the bills for the year so we can keep camping at a reasonable price. We also would appreciate anyone that can donate this year's ticket to CampOut to assist with our finances for the coming year. Unfortunately, your donated ticket is not tax deductible. We are considered a for profit company even though we only make enough to cover our expenses. We are offering the following benefits to either rolling over your ticket or giving it to CampOut

1. For those that leave your money with us, you will have a membership for 2020 and 2021. You will be able to tent camp for free 2020 and 2021 seasons.
2. Should there be a price increase next year you will avoid the price increase. For those that donate their ticket we will honor this year's price for you next year.
3. If you reserved a RV spot you will keep your RV reservation.
4. If you are part of a group site reservation it will count toward your group for next year and if all 8 transfer their ticket the site will be reserved now for next year.
5. Vendors and workers that leave their money with us will reserve a spot for next year. Should there be a price increase next year you will avoid the increase.

Next spring when we send out our mailing if you gave us your ticket or rolled it over please send us the form for 2021 filling in your address so we can be certain we have the correct address. Note on the form that you rolled over from 2020. You will not need to send any money. For those that donated their ticket. Please send in the same amount as this year and mark on the form that you donated your 2020 ticket and we will honor this year's price should there be a price increase. We will hold RV spots for donated tickets until March 15th, 2021.

I know many of you are thinking what a great deal for those that have already purchased tickets. To help towards the expenses for next year you can purchase your Virginia Women's Music Festival 2021 ticket, send in your vendor application or worker application at the current price until September 1, 2020 with the above benefits.

We realize that many need their money now and are offering a refund. We also know that you may not know if you can attend the festival in 2021. We will allow you to request a refund until March 1, 2021. If you need or want a refund for 2020 please email us at campoutva@gmail.com providing your full name and phone number and that you would like a refund of your ticket. You can also send a note to us at the business office.
