Sad to say, I was wrong about the pool decking being completed. We are waiting for a small area of concrete to dry before the top painting and design can be added. Our choice saying is we "don't want the job done right" or continuing to wait. And so we wait. We have reopened the Clubhouse, asking that no one enter if it looks like wet paint (it probably will be). Brendan will put tape across the entrance and if the tape is up, turn around. Finish is promised soon, but I'm not holding my breath.

A reminder that there is no solicitation allowed in the Community. Recently we had Avon brochures left on doors, as well as others at times. Please discourage anyone you see trying to solicit business of any kind.

Janet Blank reported that a coyote was seen strolling down Leeward Way at midnight one evening. Please take care especially when walking small dogs, and keep your cats indoors if possible. I am now walking with a broom in hand. (Please no witches jokes)

Finally, a great big thank you to Bill Harmon and Dave Burcham who have erected a new mailbox for the Association.

**TELEPHONE
SURVEY**

GET READY

Residents will be receiving a telephone call from one of you neighbors, seeking to identify the community needs, talents

and ways everyone can participate in our Volunteer Community Team. The Board of Directors is committed to remaining a volunteer managed association and avoid hiring a Management Company.

Please be cordial to your surveyor and help us find better ways to know and communicate with you. We are committed to building an active adult, caring community.

At this time, we would like to welcome some of our new residents that have joined our community over the last few months. Some of these residents are already listed in our 2019 Directory so we will only list their names and addresses. Please know you were not forgotten.....

Wine Down Friday

Our February Wine Down held at the Nunleys was another successful gathering for the neighborhood, there were approx. 45 people who mingled with their neighbors, their back yard was filled with people - it was a beautiful evening - THANK YOU Larry & Melissa!!

March Wine Down will be held at MY HOUSE - 2127 Portside Passage on Friday March 22nd. It will be co-hosted by Diane & Mike Smith and Geoff & Rose Ann LaCroix both of Portside Passage. As usual, it begins at 5:30 - bring your beverages and munchies will be provided. I'm looking forward to seeing you!!!

On another note.....it seems that the same people keep hosting these gatherings.....it would be nice if we can get some new people to host. I've offered to help (co-host) if someone has been thinking they can't do it alone.... Think about it....talk to your neighbors - maybe they want to do it but not alone.....I am hoping someone will step up and offer. I have April and May covered, looking for a June host.....
