RONALD DENSON, Mayor

# CP HAPPY NEW YEAR!

What a year 2020 has been!! We started the year expressing our “2020 Vision”. This year has been very difficult for our community, our state and our nation. The COVID pandemic has us using the phrase “The new normal” quite frequently. With life as we know it now, we also have had success in our community and we have come far with our goals we set for 2020, we also recognize that we still have a great deal to accomplish in 2021.

The Village has been working on a Comprehensive Plan with the assistance of CMAP that will bring Calumet Park into the year 2030. This plan outlines the goals for Calumet Park residents to be proud to be a resident here. This has been a great undertaking for the Village and I encourage you to read through it and have a better understanding of why Calumet Park is the place to be.

We have been continuing to develop economic strategies for our community. As always, we are diligently looking to bring a grocery store back to Calumet Park and we believe that we are on the right track to accomplishing this goal. We continue to keep in mind that in order for our community to flourish we need successful businesses and amenities that bring jobs to Calumet Park. With the purchase of the former 7 Holy Founders property, we believe that we will be able to bring the Calumet Park Annex together and breathe new life into our Parks and Recreation area.

As we look forward to 2021, we are excited to see what the New Year will bring. My anticipation is that we will work toward keeping our Village strong and successful for our citizens and our business community.

Thank you for your cooperation throughout 2020, which has been a year of compromise and we are looking forward to a blessed 2021 for our community!!
