## Free nine-day devotional focuses on Jesus' walk to the cross

Reflect on the days leading up to Jesus's death—the events that demonstrate his resolute determination to fulfill the will of his Father in a nine-day devotional by Crossway.org (the same folks who developed the ESV Bible translation).

Join us as we travel with Jesus through Scripture on his path to the cross, learning more about the people and places he encountered along the way. The study focuses on archeological discoveries and facts and correlates them with Biblical accounts.
