

*I may never see tomorrow
there's no written guarantee
and things that happened yesterday
belong to history*

A woman with long brown hair, wearing a red off-the-shoulder dress with a white capelet, stands in a misty, green landscape. She is holding a white dove in her right hand. The background features rolling hills, trees, and a soft, ethereal light. The text is overlaid in the bottom left corner in a green, cursive font.

*I must exercise compassion
Help the fallen to their feet
Be a friend to the friendless
Make an empty life complete*

*I must use the moment wisely
For it soon will pass away
And be lost to me forever
As part of yesterday*

A surreal landscape painting. In the upper half, a large, ethereal woman's face with closed eyes and a serene expression is superimposed on a golden, hazy sky. Below, a winding river flows through a landscape of green fields and bare, dark trees. A small, simple stone tower with a dark roof stands on the right bank. In the middle of the river, two small wooden boats are moored. The overall color palette is dominated by warm, golden-yellow and green tones, creating a dreamlike and contemplative atmosphere.

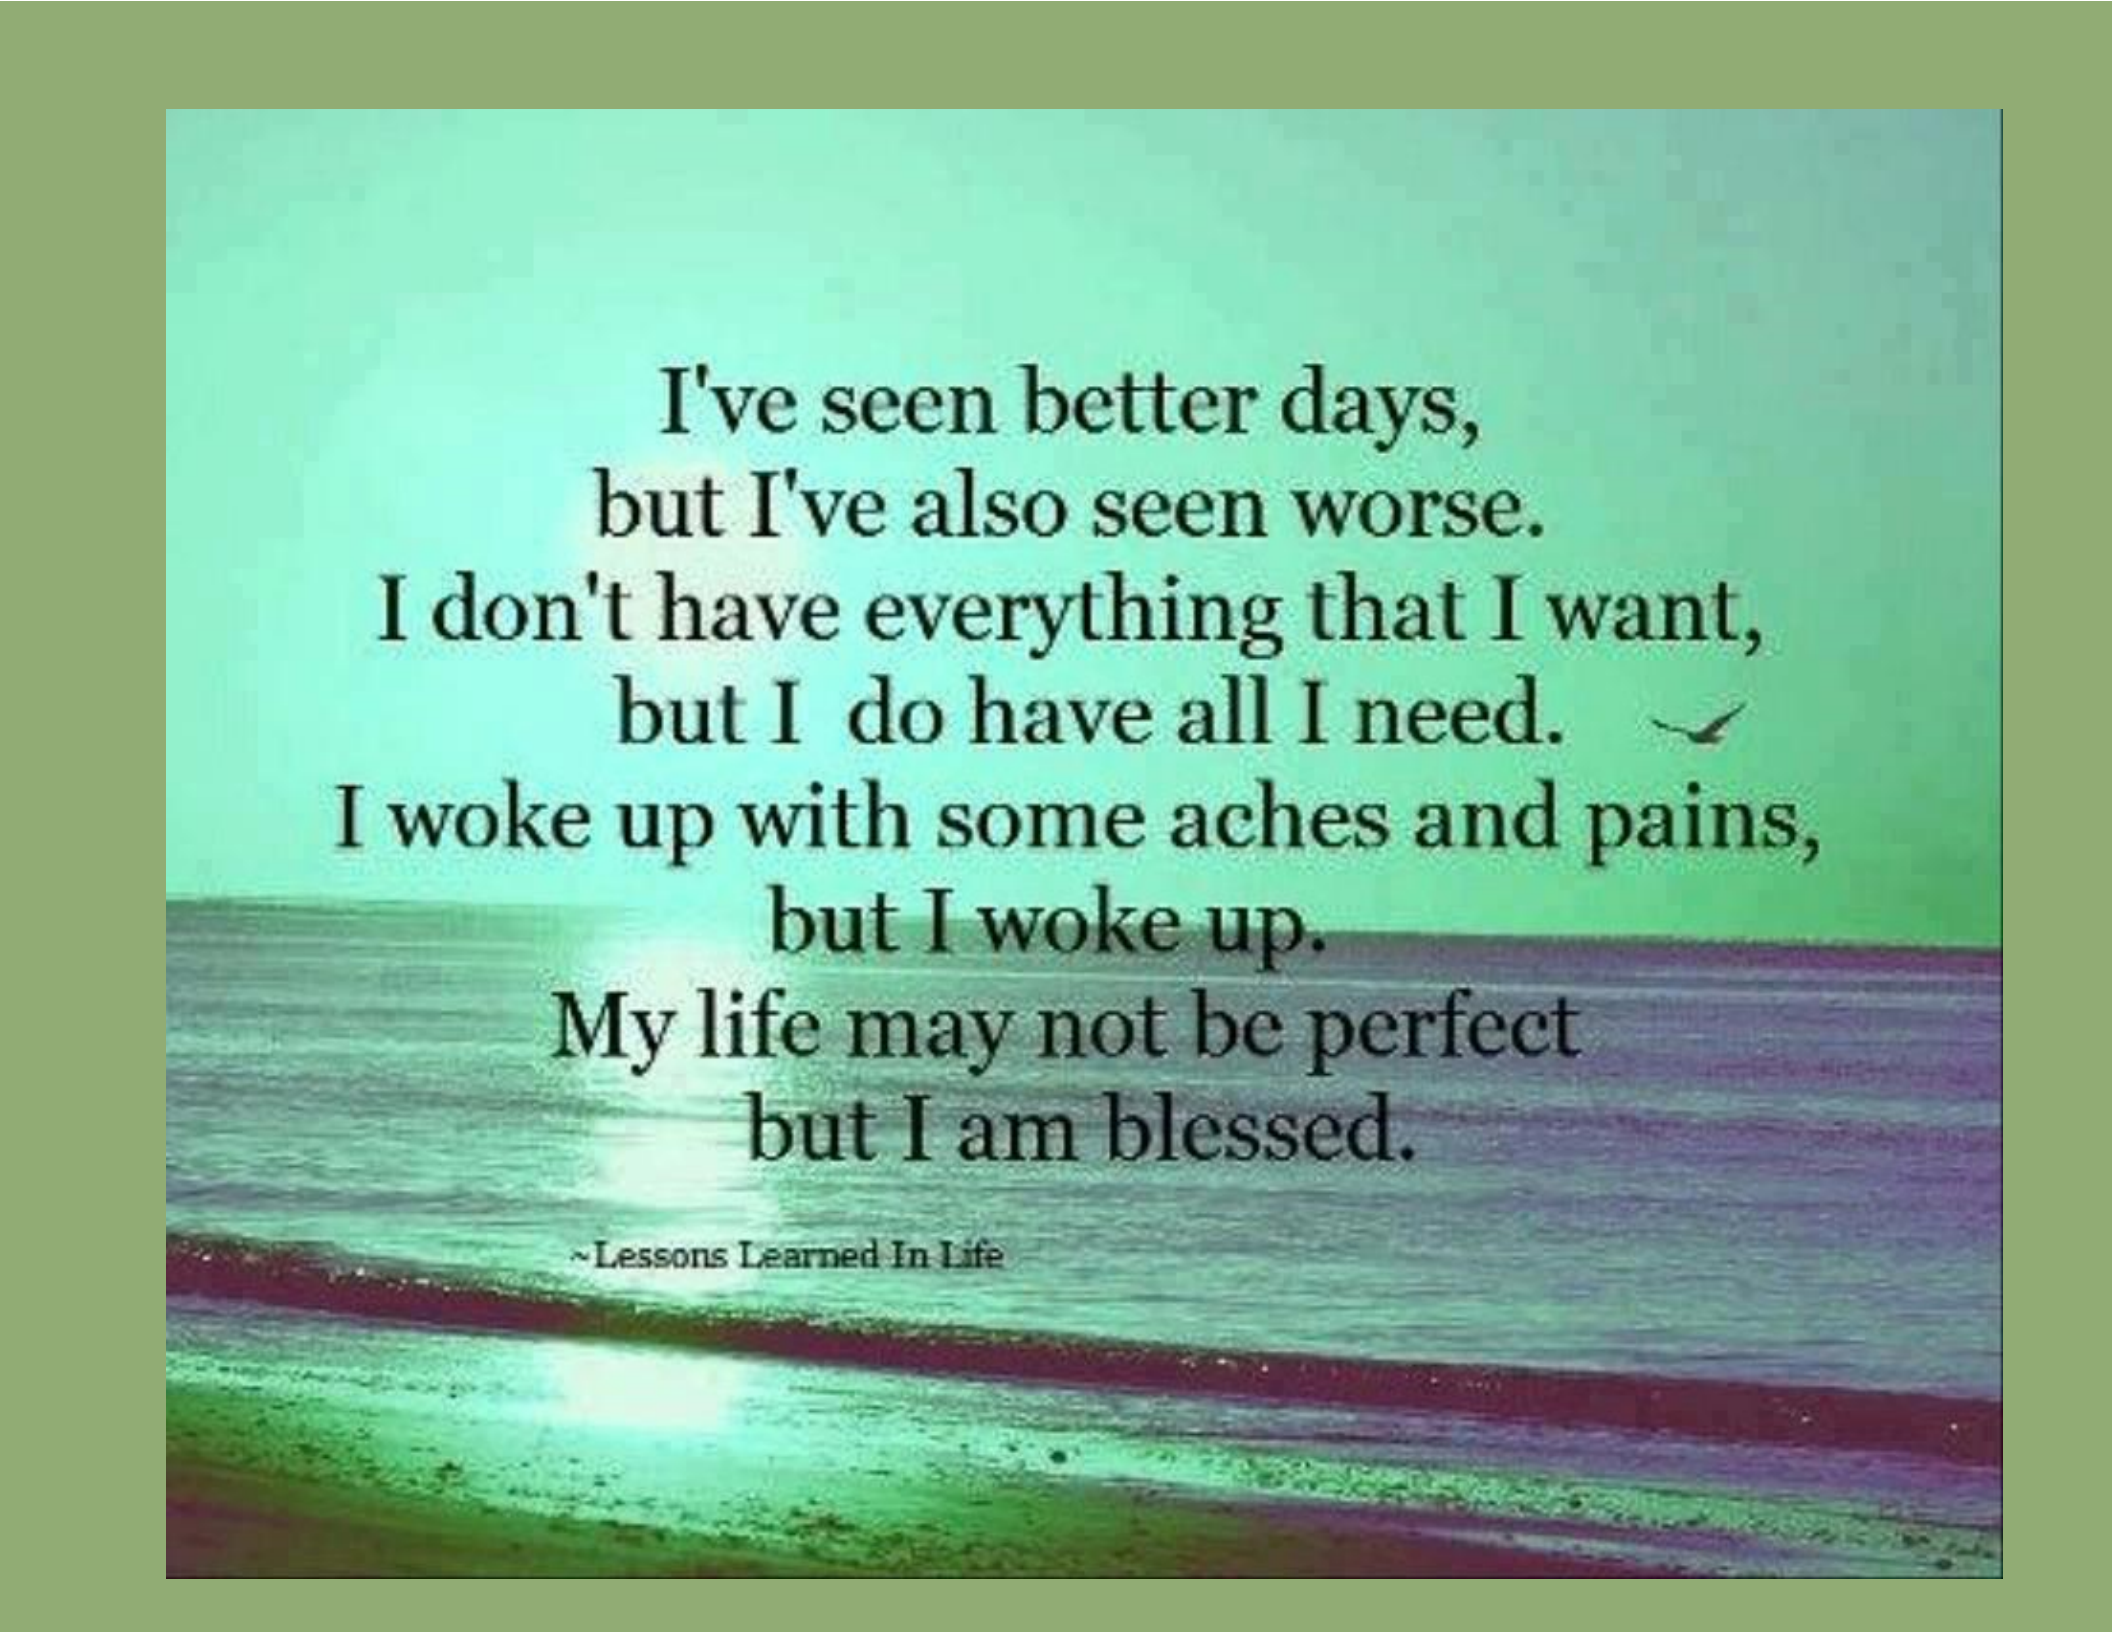

*I cannot predict the future
I cannot change the past
I have just the present moment
I must treat it as my last*

*I may not have another chance
On bended knee to pray,
And I thank god with humble heart
For giving me the day*

*The unkind things I do today
May never be undone
Any friendships that I fail to win
May nevermore be won*

I've seen better days,
but I've also seen worse.
I don't have everything that I want,
but I do have all I need. ✨
I woke up with some aches and pains,
but I woke up.
My life may not be perfect
but I am blessed.
