CanSkate is Skate Canada's flagship learn-to-skate program, designed for beginners of all ages. When you sign up for CanSkate you will be in a program that focuses on fun, participation and basic skill development. You will earn badges and other incentives as you learn fundamental skating skills. Lessons are given in a group format and led by an NCCP certified professional coach. Professional coaches are assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:10. Skaters progress at their own rate and coaches make sessions active using teaching aids, music and a wide variety of activities that create a fun environment and promote learning. CanSkate is the feeder program to all other Skate Canada Skating Programs. A CSA approved hockey helmet is **mandatory** for ALL CanSkaters.
