update regarding the Facebook situation regarding a person in the Chelsea community. Not a CBC parent.

Challenging the integrity of the organization CBC

Response

Fill in coaches on what's been going

present documents to coaches

1st document

articles of incorporation

pass around the document for coaches to review

Moller was president...RJ VP, spears treasurer

2nd document

minutes from fall meeting

Form 990 allegations were discussed with coaches refer to CBC public statement.

Coaches were in unanimous support of public statement

RJ

all teams represented on Board moving forward

Need for transparency

Shelton

let's continue putting money into the program

when he was on the basketball board they put money into the high school program as well

Kallaher

one of the first outside teams to come in

don't lose the aspect of it being a place to continue playing in our community.

give a local opportunity to play a higher level of ball

raise money for our facilities

don't lose these 2 things about the program

coaches unanimous in agreement that we have an obligation to communicate with CBC members (i.e. parents of athletes participating)

clarity of providing information on where funds have been used to improve facilities (see list from statement)

CYC teams have access to HS and MS facilities
cages, bullpens, use fields for practices when needed

Anderson
organization has grown
a lot of younger kids
Just need to get the information out there who we are

MS
always thinking ahead to the next project
turf project next
city facility phase II
timeline TBD

statement released this week

RJ
will meet again in August to begin taking teams and new board members, each team will receive
one board seat
