

Agate Football Opens Season With Big Win

By John Sandstrom

“We played a solid game and there is a lot of credit to go around, but really we should start with our offensive line. These guys aren't that big, but they have spent hours and hours in the weight room and they have made themselves into an impressive group.” This tribute comes from Two Harbors Agate coach Tom Nelson following their 53-20 win over Barnum. “They are a single A school and we thought that if we did our jobs, our depth would give us enough to win. They have some talented kids and gave us trouble. But I was proud of our effort.”

The Agates managed over 400 yards running the ball. Five different players scored touchdowns. Kyler Pitkanen scored three touchdowns to go with over 100 yards rushing; Alec Churness added one and quarterback Clark Nelson threw for two touchdowns.

Senior running back Matson Granmoe scored two touchdowns, one on a short run and one on a eighty yard kickoff return. Granmoe commented, “Our team has a lot of potential. We have been playing together since fifth grade and I believe that helps. I thought everyone played well and it was nice that the

younger players got in the game.”

Senior tight end Jake Marxhausen said he loves his team. “We are all good friends and we are willing to work early in the morning or stay late after practice.” Jake also said the players who joined the team from Duluth Marshall are fitting in well and are great guys. “This was the first time I played safety in a game. I have a few things to work on, but it was a blast. Our line did a great job of blocking. With one exception, our line and tight ends are all seniors and we have been playing varsity since we were sophomores.”

Marxhausen, who hopes to play college football, said it was a great thrill to catch a thirty yard pass for a touchdown, “It was a corner pattern and when the defender looked inside and I went outside, I knew I would be open. It was a perfect pass.”

The Agates face Rockridge (the combined Eveleth/ Virginia team) Friday night, September 10th at home. As Jake Marxhausen says, “No one is looking past them.”
