

New Director Information

I hope this information will help you get started. I'm sure it will not answer all your questions, however. Your teaching companions will possibly be your best source for answers, but feel free to email or call me at any time and I will do my best to help you out.

TMEA – Lisa Stiles, Josafat Jamie, Sabrina Behrens, Jennifer Marrero

- Region auditions
- All State info
- Honor recordings

UIL – Bill Duggan

- Solo & Ensemble
- Marching
- Concert & Sight Reading

State UIL – Dr. Brad Kent, George Strickland

- Texas State Solo & Ensemble Contest

To enter UIL events you will need an account either with CHARMS or Texas Music Forms. If your school has a CHARMS subscription you will need to check with your campus CHARMS administrator or Michael Baker, the CHARMS administrator. If you will be using Texas Music Forms, you can begin by creating an account at www.texasmusicforms.com. Either procedure works and they are fairly user friendly once you get started. If you ever forget your login or password, please contact me for help. If you just create a new one it will cause us both problems down the road. Best wishes and don't be afraid to ask for help. Most of the Region directors will gladly help and advise. And I am almost always available.

Bill Duggan
