

# CAMEO SUCCESS STORIES

I would like to take this opportunity to thank you for your generosity in funding cameo scholarships. I was extremely honored to be the recipient of this award. I was a student of Independence Junior College studying Business Management with Tourism and graduated in May 28<sup>th</sup> 2016 with an Associate Degree.

This scholarship was extremely important and useful for life because our finance does not allow us to continue our education. Without the support of you I was not going to be able to continue my education. Here in Belize it's very hard to continue studying due that many people does not have the financial to continue studying. I motivate you to continue sponsoring people because it is a very good investment that you do towards society. It also helps to change the life of others.

I thank you again for your generosity and support that you gave to me. I don't have money to pay back what you have done to me but one day God will pay all the effort that you have done to me. Thank you again and may GOD Bless you and your family.

Greetings to you! I hope that this letter finds you enjoying of good health.  
I want to thank you with all my heart for helping me with my studies, with your help my dreams came true. Now I am a teacher, the first professional in my family and in my village. Thank-you very much.  
I encourage you to continue helping others that really need help with their studies. Thank you very much and may God bless you.

Greetings to you and your family hoping that you are doing well and asking for blessings for you.

I am very pleased about the opportunity that I have to be able to thank you for your great support for the past 2 years. It has not been easy for me to obtain my education. After my father passed away, it has been very difficult for me and my mom, but with your great support I have been able to continue achieving my dreams. I would wish to continue my studies further more because, my dreams are to become an accountant. You have assisted me a lot and words aren't enough to show my appreciation.

Blessings and once again thank you for your assistance, because without your help I wouldn't have made it up to this point in education.
