

24K Gold GALA NIGHT DRESS CODE 101

Quick guide and ideas for the event

Gold does not necessarily mean material possession but this night we put Gold themed as a way of showing that we are God's treasure and to shine like a star.

FOR HER:

Go glamorous with cocktail dress or Semi-formal to formal fancy gowns, or long, floor-length evening dresses. Be creative but elegantly chic with a touch of gold colored accent as you are a shining star for this evening. Elegant updo, partial updo, a decorative fashion gold colored jewelry for the occasion.

DO...

- No gold colored dress don't fuss about it just get dress impeccably with your favorite outfit then accessorize it with some fashionable gold colored jewelries (not necessarily real gold) like dangling earrings, hair pins, bracelets and or necklaces of your choice.
- Wear shoes you love, but make sure they're reasonably comfortable.

DON'TS

- Ladies should avoid very short dresses
- Plunging necklines or too revealing clothes, we still want to be appropriately dressed.

FOR HIM:

Dress to impress Semi-formal or Formal suit with long tie with gold colored accent. From Tuxedo, Khakis, trousers, fashion formal/casual shirts, coat, slacks, business suits.

DO...

If you insist of wearing T-shirt it should look like something special and fashionably elegant. If opting for jeans, your denim should look dressy, fresh and sharp. Wear a tuxedo with all the gold frills (vest/cummerbund, cufflinks, etc.) great options to bring into the mix. You do not need to stick with black or dark colors you can explore and express your style but remember to have gold embellishment on the style.

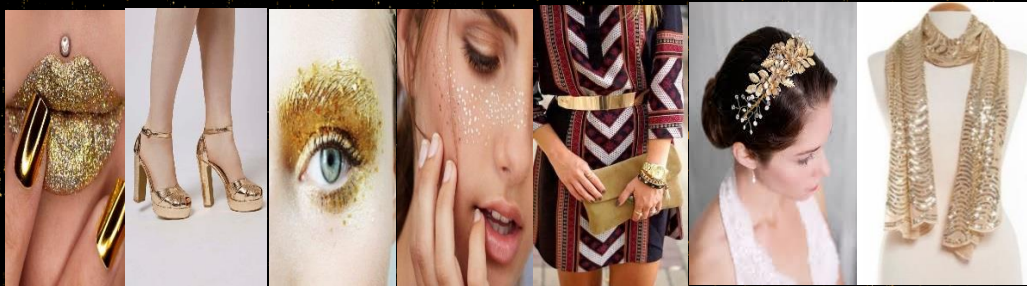

DON'TS

Jeans that are worn out, baggy or really torn with holes we want to be the leading star of the night and not be shabby.
