Tablets. Looking at new tablet for the Bureau. Want to go with tough tablets and have them mounted in the daytime apparatus and car. Thought is we will give them a good workout during the day. These would be the future for the apparatus. Preplan info will be accessible along with possibly getting on board with the Spillman system. Price is \$29,991 for four and associated mounting equipment from Wireless Communications. This is the same equipment and vendor currently being used by PD. The biggest advantage is service should issues arise.

Also looking for a basic CAD program to create floor plans of occupancies to add to the Active911 preplans for the responding members. That appears to be \$349

Purchases;

Requests to Purchase;

Ceiling Tiles for Miller Ave Firehouse;

24" x 24", 20 pkgs of 12, Grainger's \$3,260

24" x 48", 40 pkgs of 6, Grainger's \$6,520

These will replace the older popcorn type tiles that are fading and crumbling
