STUDENT WORK

Video Games

By: Brock Kassner

*Video games are not for fools,
Video games are very cool.
People must be very skilled,
To be the king of the very big hill.
You must be wise to build your base,
And get ready for the strategic phase.
Summon your men into battle,
Hide your people and hide your cattle
If this is your great bug story,
You should end it with no guts, no glory.*

Hey, Soul Bird

By: Alyssa Wooley

Oh, How I love fried chicken!
It makes my fingers worth lickin':
I get in my car and see that the clock is a tickin':
Will I be too late to buy some fried chicken?
I see I make it just in time!
I can buy some chicken, worth lickin':
I take a bite of that drumstick,
And wait for the taste to kick'in.

MMM! I think.
Oh, how I enjoy that delectable dish!
I think about how eating chicken was my only true wish.

And I realized that fine day,
How much I really do,
Love the taste of fried chicken!

ART NEWS

We have two TCS students who have been “accepted” in the *Celebrating Art Contest* for December 2018. They are **La’Niah Joe** (2nd grade) with her painting “Duck Wonderland” and **Anna Grace Swanson** (9th grade) for “Serenity on Black Point.” Congratulations to these students for their excellent work!

The next Celebrating Art Contest is April 2019—so gear up and paint for this next event! If you would like more information, please contact Mrs. Debbie Price at price.d@templelions.com.

ART CLASSES

Starting **January 9, 2019**, Mrs. Debbie Price will be offering after-school art classes for students in 7th-12th grade. Classes will be on **Wednesdays** from **2:15-3:45 pm**. The cost per session is \$13.00. The a maximum class size is 8 students. Areas covered may include Drawing, Painting (does not include oil), Mixed Media, Skill & Techniques taught in every area. Students will participate in art contests. To sign-up or for more information, contact Mrs. Price at price.d@templelions.com.

PUNCTUALITY

We are having quite a problem with students arriving to school after classes have started. This creates disruption in the class and the students are missing important information.

Student supervision is provided starting at 7:30 am. Students may report to homeroom when the first bell rings at 7:50 am. Students are considered late to school if they are not in the classroom by the 8:00 am bell. A student will receive an absent for every four tardies.

Thank you for working with us in the new year as we help students learn this important character trait.

College Corner

When we return from Christmas Break, the seniors will complete the **Florida Student Financial Aid Application** in class to help determine eligibility for any state-funded scholarships and grants such as Florida Bright Futures, Jose Marti Challenge Grant and more.

Parents of seniors will need to complete the **Free Application for Federal Student Aid** (FAFSA.ed.gov) to determine eligibility for federal financial aid for college. It is helpful to have your tax information available to assist in the completion of the application.

If you have any questions, please contact Mrs. Schafer at Schafer.d@templelions.com or call the school office at 321-269-2837.

WISH LIST

It is time to replenish some of the supplies we have used throughout the first half of the year. We are looking for the following items:

Pastel color copy paper

You can drop off any donations to the reception desk. As always, we thank you for your continued support and prayers for Temple Christian School!
