### ***What is a trattoria?***

A trattoria today, whether in Italy or in the Italian sections of major cities, is a place that serves homestyle traditional Italian food in a friendly and informal atmosphere. In most "trattorias," all or part of the daily menu varies depending on the wishes of the customer and the special culinary feelings of the chef.

Luberto's Brick Oven Pizza & Trattoria combines the best traditions of the Italian Trattoria (delicious food in an informal setting) with a wide offering of Italian favorites, always mindful that people desire to look fit and be healthy.

Some people say that the word "trattoria" comes from the Italian word trattare – to treat. This is quite possible since eating in a trattoria is treating oneself in a special way.

Luberto's – Treat Yourself!

"Buon Appetito!"
