

Residential Projects

We specialize in commercial construction and service and in addition our electricians are skilled in residential electrical too. Some of our residential wiring projects include:

- Residential Multi-Plexes
- Metal Buildings, Pole Buildings, Shop Buildings
- Detached Garages
- Service Change Outs
- Furnace & Heat Pumps
- Hot Tubs
- Lighting Change Outs

Mano y Mano Walla Walla County, WA – We were the electrical contractor for this multi-plex located near Fishhook Park, Walla Walla County, WA. This complex was a new construction which includes 4 buildings with 6 units in each building. For each unit our electricians installed new services, phones, satellite TV cable, receptacles, switches, lighting and HVAC.
