Goals, Dreams & Motivations

Regardless of your major, our internship, work and career programs are designed to enhance your skills across the board in these critical areas: Communication, Business, Marketing, Management, Leadership, Office Technology, Problem Solving & Time Management. But another area we focus on is your personal growth. The “Why” behind what you do.

The following exercise is designed to get you to think, take control and decide what you truly want in each area of your life and in what time frame. Decide in your mind now; be specific and realistic as to why you truly want to achieve your goals.

1. What are you passionate about?

2. What annual income would you be happy with ...

2 years from now? \$_____. 5 years? \$_____. 10 Years? \$_____.

3. How important is it to you to contribute something to other families and make a difference in the world?

4. How important is it to you to learn management and leadership skills?

5. How important is it to you to fight for a cause you are passionate about?

6. If money wasn't an issue, what do you see yourself doing 3-5 year down the road?
