PARENTS AND FAN CODE OF ETHICS

I hereby pledge to provide positive support, care and encouragement for my child participating in youth sports by following this code of ethics:

I will encourage good sportsmanship by demonstrating positive support for all players, coaches and umpires at every game, practice or other sports events.

I will place the emotional and physical well-being of my child ahead of any personal desires to win.

I will insist that my child play in a safe and healthy environment.

I will provide support for all coaches and umpires working with my child to provide a positive, enjoyable experience for all.

I will demand a drug, alcohol and tobacco-free sports environment for my child and agree to assist by refraining from their use at all sports events.

I will remember that the game is for the children and not for adults.

I will do my very best to make youth sports fun for my child.

I will ask my child to treat other players, coaches, fans and umpires with respect regardless of race, sex, creed or ability.

Have a great tournament!

WELCOME TO THE 2023 LITTLE MISS KICKBALL STATE TOURNAMENT!

On behalf of all the members of the Little Miss Kickball Corporation Board and myself, I would like to welcome everyone to Corpus Christi and to the 2023 Little Miss Kickball State All-Star Tournament. Thank you to our host league, Corpus Christi United, the City of Corpus Christi, and the numerous volunteers and businesses that have made this weekend possible. I would like to also personally thank the board members of our Leagues and the Corporation Board for their endless dedication to our wonderful sport.

We often speak of how our “kickball” family is second to none; and that if you have not been a part of kickball, you just don’t understand the love and passion that we all have for this yellow ball. This ball has brought us together as a family, we are fierce competitors on the field where our “PASSION and EXCITEMENT” is easily on display, and then when one of our family members is hurting, we all hurt. The outpouring of support and love that was demonstrated over the past 30 days to our kickball leagues and especially to their families has been amazing. My heart was hurting for our lost members but at the same time I was extremely proud of how we came together when our family needed us the most. There is NOTHING like a kickball family!!!

This family shows up day in and day out by putting in countless hours to make Little Miss Kickball what it is today. There is no monetary payment for these hours, but we are richer because of what it does give us. It gives us the countless smiles, hugs, tears, love, high fives, lifelong friendships and even soulmates. Our volunteers are asked all the time “why do you keep doing this?” And the response I give for myself is “Why wouldn’t I keep doing this?” I am extremely blessed to be President of Little Miss Kickball. I love getting to watch these young ladies play a sport that they are dedicated and so very passion about. They work nonstop to be the best. And to have the girls come and give me a hug or just say hi, is the icing on the cake.

Good luck to all the girls that are playing this weekend. You represent your entire league, and you were chosen because you are the best of the best. To our seniors that will be playing their last weekend of Little Miss Kickball, we wish you nothing but the best in the future and remember that you will **ALWAYS** be a member of our family.

Love to all,
