

The Hospitality Ministry consists of Greeters and Ushers

As a Minister of Hospitality, you play a key role in how others see and experience Christ. You truly become the face and hands of Christ, opening His home to all those who enter.

The Greeters create a welcoming atmosphere at the entrances of the church. Offering a smile and a word of welcome can have a profound impact on people as they arrive, especially if they are visitors to Sacred Heart. Our worship will only be truly hospitable when everyone who gathers for liturgy reaches out to those around them with the love of Christ.

The Usher helps facilitate at Mass. They are responsible for the collection, seeking parishioners who will bring forth the Gifts during the Offertory, help seat parishioners, and distribute bulletins after Mass.
