PV324	T4535	A4520	30/pk	120/cs

### BABY DIAPERS

#### Cuties® Baby Diapers

Made with state-of-the-art technologies, including an ultra absorbent core for leakage protection and adjustable grip tabs for a more comfortable fit. Soft, cloth-like outer fabric helps maintain skin wellness and comfort. Easy-Lock® fastener tabs allow for multiple refastenings. Stretchable side panels are easy to grab, pull and attach for an adjustable fit that is secure and comfortable. Elastic along waistband creates a more comfortable fit. Inner leg cuffs with elastic bands help provide a custom fit and create a seal to protect against leakage. Hypoallergenic to minimize the likelihood of an allergenic response.

### Cuties® Baby Wipes

Made from fabric that is super strong to clean up tough jobs and super soft for effective, gentle cleaning. Features Single-Hand Dispensing® to ensure that a single wipe dispenses each time using just one hand. Tri-Form™ Fabric is a unique, three layer fabric: the two outer layers are made of a soft fabric to be gentle on the skin; the strong and thick inner layer prevents tearing or stretching. Available in scented and sensitive.

### SPECIAL USE UNDERPADS

#### Attends® Supersorb® Underpads

All-in-one specialty use disposable underpad for both patient and bed protection. Reduces need for multiple underpads. 1½ to 2 times more absorbent, and nearly 3 times stronger than standard underpads. Superabsorbent polymer channels and locks fluids away from skin and helps prevent odor. Air-permeable layers allow air to flow through, promoting healthy skin and helping prevent rashes and infections. Soft, cloth-like topsheet covers entire surface. Leak-resistant, non-slip back sheet.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY

## TENA® BRIEFS

### TENA® Briefs

Feature InstaDri Skin-Caring System™ to improve surface dryness and promote healthy skin while reducing leakage. The transfer layer permits fluid to almost instantly enter the dual core, helping to promote skin dryness. The Dry-Fast Dual Core™ technology rapidly wicks fluid away from skin, trapping it into the lower core for greater security and increased skin dryness. The strategic placement of the Superabsorbent Polymer improves fluid absorption. TENA® Briefs have hook & loop fastening systems which provides

unlimited fastening and refastening for optimal fit and comfort. Curved leg elastic provides a better fit, enhanced leakage protection and more comfort. The wetness indicator alerts that the brief has been soiled and needs to be checked. TENA® products have specially treated fibers to minimize the growth of odor-causing bacteria.

### TENA® Ultra Stretch Briefs

Unique stretch sides provide full breathability to promote skin health and comfort; customizable fit to reduce product gapping and sagging for comfort, security and effective leakage control; and snug 'stay-in-place' fit. Unique TENA® Hook System provides secure fastening anywhere on the brief and unlimited refastenability. Moisture-proof lining protects clothing and linen against wetness, and is color coded for correct product selection. InstaDri Skin-Caring System™ improves surface dryness, promoting healthier skin with a transfer layer, Dry-Fast Dual Core™ technology and strategic placement of superabsorbent polymer. Curved elastics provide a better fit, enhanced leakage protection and more comfort. Wetness indicator signals when brief should be changed. Soft, nonwoven backsheet is gentle against the skin and less noisy, providing improved comfort and greater dignity.

### TENA® for Men™

Designed for men with light to moderate urinary incontinence and post-prostate surgery incontinence. Innovative anatomical design provides greater comfort and discretion. Features improved absorption and can be worn with regular, close-fitting underwear. Odasorb Plus™ is pH balanced to help control odor.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
50600	T4535	A4520	20/pk	120/cs

## TENA® TWO-PIECE PADS & PANTS

### TENA® Day Light Pads

For mild to moderate bladder control protection. Superabsorbent material gels fluid for greater security and skin dryness. Soft, cloth-like outer cover is less noisy for improved comfort and greater dignity. Soft elastic gathers to provide a closer fit. Can be worn with regular underwear.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
62314	T4535	A4520	24/pk	144/cs

### TENA® Pads

Dry-Fast Dual Core™ quickly absorbs fluid for greater security and skin dryness. Soft, cloth-like outer cover is less noisy for improved comfort and greater dignity. Oval-shaped elastic hugs the body for improved leakage protection. Wetness indicator alerts that the pad needs to be checked.

## TENA® UNDERPADS

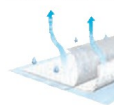

### TENA® Underpads

Designed to absorb leakage, reduce odors and maintain dryness for a comfortable bed surface. Consist of a polyethylene layer combined with sealed edges to ensure leakage protection. Highly absorbent material is evenly distributed throughout the core. Contain 100% virgin fluff pulp, which provides far greater levels of absorption and retention than draw-sheets or wadding-filled products.

Ultra plus (36" x 36")	361	T4541	A4554	10/pk	100/cs

### TENA® Air Flow Underpads

Designed for use on low air-loss therapeutic beds. Nonwoven topsheet is gentle against the skin. Breathable, nonwoven backsheet allows air to circulate for healthier skin, while protecting the mattress from excessive soiling. Superabsorbent polymer helps to improve absorbency for greater security and skin dryness. 23" x 36".

## DISPOSABLE SWIMWEAR

### Swimmates™ Disposable Swimwear

Swimmates provides dignity, confidence and discretion when in public and group settings. The disposable swimwear is worn under a bathing suit to provide containment for bowel incontinence. The blue, moisture-proof barrier provides light urinary incontinence protection prior to entering the water. Kufguards® (inner leg cuffs) help contain bowel incontinence, keeping the pool and bathing suit clean. The product is designed to have minimal swelling and does not break apart. Tear-away side seams are used for easy removal and disposal.

### Tranquility® SmartCore™ Disposable Briefs for Heavy Protection

Create an ideal micro-climate for skin integrity. High capacity absorbent core remains effective up to six to eight hours. The inside of the brief is treated with TQ-A/P (Tranquility® Antimicrobial and Antifungal Protection) to control the growth of bacteria and fungi on the product. Breathable sides eliminate heat and moisture buildup, promoting skin integrity with increased fresh airflow. Micro-hook closure tabs grip the soft, cloth-like outer layer to securely fasten the brief and allow for multiple openings. Kufguards® inner leg cuffs channel fluids into the core, containing high volume urge episodes and bowel incontinence. Color-coded sizes. Capacity/wetness indicator is two yellow lines that turn blue when moisture is present.

## BARIATRIC CARE PRODUCTS

### Tranquility® AIR-Plus™ Bariatric Disposable Briefs for Maximum Protection

100% breathable – each section allows air to circulate to the skin. Stretchy side panels and core have microscopic pores that allow body moisture vapor to escape. Treated with TQ-A/P (Tranquility® Antimicrobial and Antifungal Protection) to control the growth of bacteria and fungi on the product. Side panels extend to a circumference of 106" and follow body contours with firm support. Fuller, higher coverage in the front and rear assures a better fit. Soft, cloth-like outer layer is gentle against sensitive skin. Micro-hook closure tabs enable repositioning and multiple openings while still fastening the brief securely. Peach Mat absorbent core controls odor and holds more than a quart of liquid for maximum protection. Kufguards® (inner leg cuffs) provide leakage/bowel containment. Dual wetness indicator turns from yellow to blue to identify the presence of moisture. Elastic leg gathers provide a comfortable fit.

	ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY

## ABSORBENT SHEETS

### Tranquility® ThinLiner Moisture Management™ Absorbent Sheets

ThinLiner ultra-thin material wicks moisture away from the skin providing a dry environment in areas where moisture can cause significant skin breakdown. Ideal for tucking into skin folds, groin area, under breasts or other regions where light to moderate moisture is present. Multi-purpose sheets can also be used for urinary and fecal incontinence management. TQ-A/P (Tranquility's Antimicrobial and Antifungal Protection) treatment inhibits bacterial and fungal growth on the product. Latex-free. Non-sterile.

#### Dignity® Classic

For heavy to super absorption needs. Wicks away and retains wetness and odor in layers of fluff and polymer, leaving skin exceptionally dry and free from irritation. Feels dry and soft against skin even after multiple voids. Quickly draw fluids away from the topsheet and deep into the superabsorbent core, preventing moisture rewetting the skin. Rapid dispersion of fluid and increased absorbent core stability and comfort. Provides enhanced comfort, secure fit and optimal protection against leakage. Efficient product change timing.

Sportive, 11" x 3½"	(WH)168137	T4535	N/A	14/pk	168/cs

### Dignity, Regular-Duty Barrier-Free Pads

For light to moderate bladder care protection. Economical protection without the use of a polymer, moisture-proof backing or adhesive strips. 6.7 oz. 4" x 12" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)26954	T4535	N/A	48/pk	384/cs

### Dignity, Double-Duty Barrier-Free Pads

For moderate bladder care. No moisture-proof backing or adhesive strip, so it can be used as a thick, double pad; cut into two singles; or even tripled. Great booster. 4" x 13½" – 26" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)26950180	T4535	N/A	30/pk	180/cs

### Dignity, Super-Duty Barrier-Free Pads

Can be used in any Dignity, or Free & Active, garment. Use also to enhance absorbency in diapers or undergarments. Excellent, cost-effective choice for someone with moderate incontinence who is using a pant with moisture-proof barrier. Superabsorbent gel for dryness and odor control. No moisture-proof backing. Wide adhesive strip. May be layered to customize absorbency level. 4" x 12" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)26955	T4535	N/A	25/pk	200/cs

### Dignity, Active Super Absorbent Pads

Premium bladder pads for light to moderate bladder care protection. Gentle, elastic sides create gentle cupping action that reduces side leakage. Discreet and comfortable, cloth-like, moisture-proof barrier. Superabsorbent polymer to lock in wetness and odor. 4" x 12" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)26972	T4535	N/A	25/pk	200/cs

### Dignity, Thin Absorbent Pads

For light bladder care protection. Moisture-proof barrier and outer cloth-like feel. Lower-profile, highly absorbent pad. 3½" x 12" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)30054	T4535	N/A	40/pk	240/cs

### Dignity, Extra Absorbent Pads

Have superabsorbent polymer for dryness and odor control. Acquisition layer helps to distribute fluid. Excellent, low-profile choice for someone with moderate incontinence. Moisture-proof backing with side walls. Gel to lock in wetness. Wide adhesive strip. 4" x 12" liner size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)30071	T4535	N/A	25/pk	250/cs

### Dignity, Stackables, Barrier-Free Pads

For light to moderate bladder care protection. Lightweight, highly absorbent, barrier-free pad. Use to enhance the absorbency of disposable undergarments, disposable underwear and diapers. 3½" x 12" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)30053	T4535	N/A	40/pk	240/cs

### Dignity, Stackables, Long Barrier-Free Pads

Lightweight, barrier-free pad. Super absorbency combined with extra length makes this a very versatile pad. For use in diapers, undergarments and protective underwear. Low-profile, highly absorbent pad. Faster absorption and optimum fluid retention, even under pressure. Economy packed. 3½" x 15" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)40052	T4535	N/A	40/pk	160/cs

### Dignity, Beltless Undergarments

Unlike many other undergarments, there is adequate space for containment of fecal incontinence. May be used with mesh pant or in ordinary underwear. Provide many features and benefits of a diaper/brief, but without the stigma often associated with briefs. Superabsorbent polymer for dryness and odor control. Moisture-proof back; adhesive strip. Elastic gathers for a more comfortable fit. One size fits most. 13¼" x 27½" pad size.

ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
(HU)30073	T4535	N/A	12/pk	72/cs

## REUSABLE UNDERWEAR

### Dignity, Two-Piece Pant and Pad System

Lady Dignity, panty and Sir Dignity, briefs look like regular underwear but contain a moisture-proof pouch that holds the pad in place and helps prevent excess fluid spillage. Cotton-blend fabric. Easy to care for. Machine wash and dry. Combine with the Dignity, pad that meets user's absorbency requirement. More economical and versatile than disposable underwear.

## ABENA (RB)

### Abri-Flex Premium Overnight Underwear

Feature amazing absorbency and leakage control to keep skin, clothing and linens dry up to six to eight hours. This discreet disposable underwear is designed for heavy incontinence and includes the following features: Air Plus 100% breathable backsheet (compatible to use with low-air-loss bed systems), fast drying super-absorbent polymers, Top Dry sub-layer designed to separate wetness from skin, two Lycra® in-cuffs and wetness indicator. Has more than three times the elastic around the waistband to ensure that the product fits snugly to the body. Twice as absorbent as the leading overnight style underwear.

## UNIQUE WELLNESS® (UW)

### The Wellness® Brief

Designed to last 8 – 12 hours using NASA-inspired, multi-layered InconTek® technology similar to designs used by astronauts in space for long missions. Not only absorbs dramatically more liquid than standard briefs, but pulls it away from the skin and locks it in a separate layer, leaving little or no opportunity for skin irritation or infection. Unique,

easy-to-use scheduled changing system – once every eight hours or three every 24 hours without worrying about exposure to urine. 70% more cost-effective than other briefs due to minimal changes or need for creams and ointments. Unprecedented odor control. Perfect for overnight use, travel or any time user needs to go long periods without changes. Features strong, re-sealable tape and leakage barriers. Color-coded for size.

	ITEM #	TCODE	HCPCS	SOLD BY	CASE QTY
Medium (waist 24" – 36")	3131	T4522	A4520	20/pk	60/cs
Large (waist 36" – 46")	3142	T4523	A4520	20/pk	60/cs

### The Wellness® Absorbent Underwear

Awarded Medtrade's Innovative Retail Product Award and were featured on Discovery Channel's How Stuff Works. Designed to last eight hours using NASA-inspired, multi-layered InconTek® technology similar to designs used by astronauts for long missions. Unlike other products based on voiding patterns, it has a unique scheduled changing

system that makes it one of the easiest to use. Changes can be scheduled once every eight hours/three every 24 hours, putting the wearer or caregiver in control with no worry about exposure to the effects of urine. More cost-effective than other absorbent underwear because they require fewer changes and rarely require expensive creams or ointments.

## ONE-PIECE PANT & PAD SYSTEMS

### HealthDri™ Reusable Briefs

Patented moisture transport system is designed to keep wearer dry. Ultrasoft, stay-dry liner pulls moisture away from skin. Breathable outer shield allows evaporation, yet blocks moisture from seeping to clothing. Feature comfort of reusables with absorbency of disposables. Provide dignity for those who require incontinence products, while providing peace of mind about moisture absorbency and clothing protection. Environmentally friendly, cost-saving alternative to disposables. Look and feel like regular underwear.

### Comfort Shield® Barrier Cream Cloths

Protect skin from incontinence moisture damage. Each pre-moistened, ultra-soft cloth gently cleans and coats skin with 3% dimethicone barrier cream to protect the skin from the harshness of incontinence moisture. The #1 clinically preferred barrier cloth in U.S. hospitals. Made in the USA by a veteran-owned company.
