## **DISPLAY PROGRAM**

*Black Swan* Display program includes the following list of exceptional *Black Swan* products. With the purchase of the products listed, you, our valued distributor, will receive an additional 5% off our already highly competitive special pricing. You will also receive the display rack as shown at no additional charge.

And wait, There's more; In addition, upon the arrival of the rack and the superior *Black Swan* products your *Black Swan* representative will magically appear at your door (OK he will drive there as soon as he can) and put up the rack and all the product that goes on it.

The proven result spurring this program is to increase your sales dollars. The display has 54 plumbing chemicals and related SKU's all in one convenient place. Your customer comes in to buy a roll of Teflon tape, as he reaches for it he sees sand cloth and grabs a roll, he sees cutting oil and grabs a bottle and on it goes. Now instead of picking up a \$1.00 roll of Teflon tape he buys \$40.00 or more worth of product and you didn't have to spend time sell a thing. The display will be your salesman multiple times every day.
