3.1	Speeding		1
3.2	Fail to Observe Stop Sign		2

Property Checks- 14

Incident reports-0

Dog complaints- 0

Assist Fire, Police & EMS - 0

Reminders:

- Speed is monitored by radar for the safety of our pedestrians and pets.
- Anyone willing to allow security to use their property to help aid in controlling speeding please notify the office.
- Please report any suspicious activity, acts of vandalism, dangerous drivers etc. Security can't be everywhere at the same time and without residences reporting such activity promptly it is hard for us to get the issue resolved.
- Please pay attention to your garbage in the event a bear or any animal gets into it please clean it up promptly to keep the community looking nice.
