

Ventura County

Coalition for Compassionate Care

Recognized as a local
Coalition by the Coalition
for Compassionate Care
of California

The Ventura County Coalition for Compassionate Care (VCCCC) is improving the quality of life for all Ventura County residents by educating, counseling, and encouraging the public and healthcare professionals to share their knowledge, goals, and priorities. We are promoting timely advance care planning and understanding of medical treatment options for those of all ages, especially those with chronic and serious illness.

ANNUAL INDIVIDUAL MEMBERSHIP AT \$100 INCLUDES:

- Support of an organization invested in education about life planning and how to have the necessary conversations about life planning
- Membership in Coalition for Compassionate Care of California and their benefits
- Opportunity to participate in decision making based on membership
- Discounted Train-the-Trainer program
- Opportunities for low cost webinars and classes
