Dear OLSS Families,

First, I would like to thank you for taking the time to complete the survey I recently sent out. The information will help me with formalizing the OLSS Back to School Plan.

I have attended many meetings this past week and have consulted with the Catholic Schools Office as well as with Southern Maryland Regional Principals.

While I cannot yet give all the details, I can tell you that the plan is still to move forward with the opening on August 25, 2020. Students will be welcomed on campus with all safety precautions in place. Our school opening will look a little different as we take time to help everyone adjust to our new normal. More details will be coming soon.

We are also planning to have a Virtual Learning option available. If you indicated on the survey that you would prefer the Virtual Learning option, would you please send an email to me at principal@olsss.org with your child(ren)'s name and grade. I would appreciate a quick response for planning purposes so I thank you in advance.

I hope you are continuing to have fun this Summer. Don't forget to check out the ADW/CSO learning opportunities on our school website. Please continue to pray the rosary!!!

Stay happy, healthy and holy!

Grace and Peace,

Mrs. Jennifer Thompson
Principal
