

March 2012

Nobles,

Here we are in March and already I feel that one year as president is not going to be long enough to accomplish what I would like to. As I mentioned at our last meeting I am looking for help in bringing back the fun into the Lakehead Shrine club. Any ideas or suggestion will be well received.

I would also like to bring back some of the functions such as dances or a casino night or anything that was a tradition in the past. Again we need to bring the fun back into the Shrine!

I have an idea that I would like to discuss at our next meeting which is getting a group together and go visit Duluth for their circus. Their circus is April 20-22, 2012, so if you are interested we can discuss it. I would like to thank all the nobles for attending our last meeting and hope to see you at our next meeting, lots to talk about!!

In closing I would like to thank Noble Jim Kingston for overseeing the election of our 2 new Directors and welcome them on board, Noble Bryon Nelson and Noble Aubrey Shedden, as I am sure they will be an asset to our club.

President of the Lakehead Shrine Club,  
Tony Biscardi
