

This **OCT 1 UPDATE** is brought to you by the folks at Templeton Community Services District (TCSD) - the town of Templeton's local government agency with a Board of Directors who are essentially the "town council".

TCSD provides local services - water, wastewater, fire & emergency services, and solid waste collection, with parks & recreation along with a very small amount of lighting and

drainage - that the people of Templeton believe can be best provided at the grassroots level.

TCSD's Board of Directors - Templeton's "Town Council" - meets regularly on the 1st and 3rd Tuesday of the month in the Templeton CSD boardroom (5th & Crocker next to the Fire Station). The public is encouraged to attend and participate!

For more information, please visit the TCSD website at www.templetoncsd.org or call the office (corner of 5th & Crocker) at (805) 434-4900.
