## Talking Points

---

**Agenda item:** Budget approval **Presenter:** QBC President - John

### Discussion:

-We are starting out with about \$28,000.

-Budget does not include what we always have so needs to be updated with annual subscriptions and previously paid for subscriptions and items.

-We need to include the purchase of a Gauntlet Tunnel – estimated at about \$2,000

### Conclusions:

We will vote on Budget approval at next meeting with items we're looking into added and calculated.

Action items	Person responsible	Deadline
✓ Price Gauntlet Tunnel	All	Next meeting

---

**Agenda item:** Spirit Shack Replacement **Presenter:** QBC President - John

### Discussion:

We need to look at replacing the Spirit Shack due to the dangers of the current Spirit Shack as well as the look of it. It doesn't represent what we want West Florida High School to be seen as.

-We should talk with the school Representatives about possibly having the New Academy at the school build the Spirit Shack for us and we provide money for any materials needed to complete it.

### Conclusions:

Speak with school Representatives and get more information

---

**Agenda item:** Photographer for Football pictures **Presenter:** QBC President - John

### Discussion:

-We need to make sure we find a Photographer to take Football pictures and make sure we set up dates and times for pictures early enough this year.

-Last year it was last minute with no make-up date time allowed.

**Conclusions:**

Several names were mentioned as possible Photographers

Action items	Person responsible	Deadline

✓ Tina Lovett, did Baseball pics, Photographer to look into		None stated

<b>Agenda item:</b>	Video of players	<b>Presenter:</b>	QBC President - John
---------------------	------------------	-------------------	----------------------

**Discussion:**

-Maybe we can have the Academy at the school do a 1–2-minute video of WFHS Sports, Teams and Players.

**Conclusions:**

Look into it.

---

<b>Agenda item:</b>	Transportation	<b>Presenter:</b>	QBC President - John
---------------------	----------------	-------------------	----------------------

**Discussion:**

-We really need to look into a Charter Bus or Double Decker bus for away game(s).

**Conclusions:**

Look into it.

---

<b>Agenda item:</b>	Sponsorship, Signs and Banners	<b>Presenter:</b>	QBC President - John
---------------------	--------------------------------	-------------------	----------------------

**Discussion:**

-We need to try to sell at least 1 of these per player. We have 80 – 100 players.

-We can only sale 6 of the \$1,000 Sponsorships and we're looking into Gator Graphics to do the signs and banners.

-Maybe we can consider offering 1<sup>st</sup> down, Turnover and/or Extra Point Sponsorships.

**Conclusions:**

Think about it.
