

WORSHIP

This is the Worship Area Manual, complete with pictures on setting up each Chapel. There are a few items that you will need to provide but most of the items are in storage and will be brought to your location by logistics. It is recommended that you arrive at Camp Alamisco by 3:00 P.M. This will give you a chance to get everything unpacked and organized.

This committee should consult with and coordinate all plans with the Spiritual and Lay Directors and designated committees of the walk.

BRING WITH YOU:

1 bottle of grape juice (1 gallon should be plenty)

4-5 bags of bread, pita bread works well (**check with Spiritual Director to see if there are special request.**) These are used for:

Thursday morning chapel

Friday - Dying Moments

Friday - Community Candlelight

Saturday - Closing

Several rolls of paper towels and/or old towels to wipe off benches at the outdoor chapel. If you use towels from Agape, these should be washed and returned to Agape before you leave on the last day of the walk.

12 taper candles (you are responsible for lighting and blowing out the candles)

For: Thursday morning chapel

Thursday night (votive)

Friday - Dying Moments

Friday - Community Candlelight

Saturday - Closing

Matches or Butane Lighters.

Kleenex -10 boxes

NOTES:

- Be sure Kleenex boxes are placed at the ends of each row in the chapel, especially for Dying Moments.
- Find out from ALD how they want the chairs set up in the chapel. **This is done at the Team Meeting before the second full day of the walk.** The chairs are usually arranged in 6 rows of eight. If there is a table short a pilgrim, find out where the Lay Director wants that row placed.

- To make it easier, carry the things you need to the chapel in a box. **We now have a flat bed pull wagon to carry multiple boxes and items to the outdoor chapel. If Logistics doesn't bring it with your totes, ask them to find it for you.**

- As much as possible, pack up as you go so that you won't have it all to do at once.
- The chapel and the worship workroom are located close to each other. Remember that sound travels very well at the lake and keep voices low, especially when the pilgrims are in the chapel.
- **While the 72-hour candles are in the chapel, it is the responsibility of the Worship committee to be sure they remain lit.**

The Sponsor's Hour committee will be responsible for putting the candles in the chapel on Wednesday/Thursday and taking the transporting box to Agape.

- Agape will be responsible for taking the candles to the Conference Room on Saturday.
- There are green foam seats in 2 boxes marked "Permanent Agape for Worship." These are used for morning outside worship (Prodigal Son, Four Responses to Christ, and Holy Spirit). The green foam seats are also used any other time the seats may be wet. These should be placed on the benches in the morning after the dew has fallen. They need to be put back in the boxes until needed for the next worship. These two boxes are usually left down at the chapel between services.
- Each worship setup has been put into separate boxes i.e., the first day's materials are in one box, and the second day's morning worship setup has its own box, while Dying Moments has two boxes. One box is shared with Candlelight. The third day's materials are in its own box, which is shared with Closing. Each box has all the materials, except for the large cross which is in another box, for each worship setup.
- Some materials are in Ziploc bags for safekeeping.
- Separate boxes for candles, sheets, and black material for Dying Moments are also part of the Worship inventory.
- If something cannot be found, check the other boxes to see if it was misplaced.
- The only banners used for the chapel services are the two for Dying Moments, "I've been expecting you" and "Dying Moments". **NO OTHER BANNERS ARE USED DURING OUTDOOR CHAPEL**
 - Each chapel service is identified on a storage bin. There is a list of the items contained in the bin and taped to the lid. **PLEASE RETURN THE ITEMS TO THE SAME BIN.**
 - If the white cloths and communion napkins are soiled, please take them home and wash them and return at the next walk. Please call the Board Representative in charge of Worship to let them know that you have the linens.

FOLLOWING EACH WORSHIP SERVICE WHERE COMMUNION IS SERVED, THE WORSHIP CHAIRPERSON IS RESPONSIBLE FOR TAKING CARE OF THE COMMUNION ELEMENTS!!!!!!!!!!

The Communion elements are discarded in the following manner:

- 1. The elements are returned to earth.**
- 2. Take the Communion bread, crumble it and throw it out on the ground for the birds and animals to eat.**
- 3. Take the Communion cup outside and pour out the juice making sure that it is done in a "Cross" configuration.**
- 4. This is done in a reverent and prayerful manner.**

Please observe the worshipful nature of this process.
