PARENT-TOT: 18 – 36 months	Sat. 11:50-12:20
A class for the parent and young child to explore and learn the "world of gymnastics". Learn how to "play" gymnastics and have a great bonding time with your child. Children enjoy movement and physical activity at a young age. The results are long lasting.	
TINY TOTS Ages 3 - 4 yrs. (class sizes limited)	Monday 4:30-5:15; Sat 11:00-11:45
Children learn to work and play together in a program designed to develop basic strength, coordination, & motor skills. Our preschoolers develop self-awareness & confidence as they develop gross motor skills. This is a great opportunity to allow tots to express themselves through movement.	
TERRIFIC TUMBLERS Ages 5 – 7yrs.	Thursday 4:30-5:25; Sat 10:00-10:55
Tumbler gymnastics is a direct progression from tots. We continue to develop their basic skills while adding more advanced skills & emphasizing proper technique from the level 1 USAG program.	
BEGINNERS Ages 8yrs. +	Mon, 6:30-7:25; Sat 9:00-9:55
We teach movement & control in gymnastics as well as skills & routines from the level 1 & 2 USAG program while maintaining a safe and fun atmosphere for the children.	
FFS PRE TEAM	Monday and Thursday 5:30-7:30 115 minutes
Placement by teacher only according to attainment of specific skills. Two days are required because this class is for those who have had some experience and desire faster progression and more time in the gym. Students will master level 1 skills and routines and begin work on level 2 skills and back handsprings. When Level 2 is mastered they may be ready for competition, but WILL NOT be required to compete (Beginning Ballet I highly recommended.)	
TUMBLING ONLY Ages 8+	Monday 7:30 55
A class for those students who want to learn how to tumble. Ideal for cheerleaders or the student who wants to concentrate on achieving a round off back-handspring or more advanced tumbling. Prefer students to have some gymnastics experience and able to do a handstand and cartwheel	
Sports Preparation and Fitness for young boys ages 6+	Thurs 7:30 3 rd session only
Boys will work on strength and conditioning using gymnastics apparatus and a variety of exercises. All aspects of fitness are developed in gymnastics making it a great program for any sport preparation or just for fun and fitness.	
FFS TEAM- By placement only Ages 6 + by teacher placement only. Level 3, 4, excel and optional routines with higher level skills. Parental involvement required	Mon, Tues, Wed and Thursday 4:30-7:25

All classes subject to change or be cancelled due to insufficient enrollment.
