

Rosie

Pet's Name: *Rosie*

Pet's Owner: *Julie*

Age: *6 turning 7*

Type: *Boston terrier*

Things She Loves:

Rosie loves riding the car, she loves Larry and his Yappy Hour, loves people, loves to swim, and loves to roll a basketball in the dirt. She also likes to jump in her toy basket to look for toys and is friends with Bodhi and Dewey.

Characteristics:

Rosie is an high-energized yet laid back pup who has her own swimming pool. Her favorite treat is milk bones. This Boston Terrier has such strong jaws that if you are on one end of a doggie tug-of-war rope and she on the other, you could hold the rope in the air and still have Rosie dangling on the other side.
