## Announcements

### All In-Person Worship Suspended Until Further Notice

Out of care for the health and safety of our community, North Cape Lutheran Church is suspending in-person worship until further notice. We are creating electronic worship outlines and video services in place of our regularly scheduled live worship. You can find these resources on our website at [www.northcapelutheran.org](http://www.northcapelutheran.org). Services will also be emailed to anyone on the Steepleview Xpress listserv.

Sermon Notes may be submitted electronically through the link in this worship outline or through our website. In addition, we continue to connect with our wide network of local and global service agencies. We are also providing pastoral care to individuals and families in need. Please feel free to contact Pastor Brad at 414-305-2349.

**Easter Sunday Worship 4/12/20**

Join us for online worship this Sunday, April 12, 2020 as we celebrate Easter and Jesus' resurrection. Our video worship will include several special North Cape touches that you look forward to each Easter when you worship with us. In the mailing members should have received this week, you were given a balloon to inflate. At the end of the service, toss the balloon around your home with your family and join in on one of our special traditions! (And if you have some bubble wrap handy, feel free to include that too!)

### **Easter Flower Pick Up**

If you ordered Easter flowers, be sure to pick them up on Saturday, April 11th between 10am -noon. Thank you for sharing the beauty of the flowers with us. They will be appearing in the Easter service.
