Provision for Attendance and Participation by Electronic Means

46. In accordance with the provisions of Section 199 of the Municipal Government Act, Council herein provides that meetings of council, including committee meetings and public hearings, may be conducted by Electronic Means, when

deemed necessary to do so for the effective and expedient governance of the municipality and engagement with the public, at the discretion of Council.

- a) In exercising its discretion, Council may provide for the following meetings inclusive of Electronic Means:
 - A full virtual meeting, by which all parties that are, or may wish to be, participating in the meeting shall have a common point of access to the virtual meeting through approved electronic means; or,
 - A hybrid virtual meeting, at which some of the participants may be authorized to participate through approved electronic means. The availability of a hybrid virtual meeting does not create an obligation, nor does it restrict the ability, to provide virtual access to the general public, as in the hybrid model the council chamber remains an effective point of access for the general public.
- b) In exercising its discretion, Council shall prioritize the use of hybrid, rather than full, virtual meetings such that where possible the use of electronic means is limited to use by those active parties in the meeting, including councillors, administration and formal delegations who cannot be in physical attendance.
- c) In all cases, Electronic Means shall be used only when and where the location of remote access is able to support its use. The ability to access remotely is not a guarantee that access will be assured or that business will be detained for input by those with an intermittent connection.
- d) A Councillor shall be deemed present for the meeting for the duration of the meeting, in all or in portions, for which their connection is active.
- e) The Presiding Officer shall, on the Call to Order of the meeting, declare to the meeting that there is, or may be, participation by Electronic Means, and shall ask the recording secretary to confirm any virtual attendees by seeking confirmation of:
 - Those voting members or councillors present;
 - Those administration present;
 - Those delegations that may be present; and
 - The general count of those public present.

47. In providing for Electronic Means, the Council authorizes the following electronic means for virtual participation in meetings:

- a) Telephone participation, both traditional landline and cellular mobile participation;

- b) Personal or Work Computer or Tablet, via virtual participation applications or programs initiated by the municipality;
 - c) Other means as may become commonly accepted and deemed safe by the municipality as technology advances.
 - d) The access codes or numbers for participating electronically shall be distributed along with the agenda of the meeting in the same manner by which the agenda is circulated (email, website, and/or contained on the physical copy of the agenda).
48. In participating by Electronic Means, a Councillor shall be required to make their presence known in accordance with the following:
- a) On initially joining the meeting, shall declare their full name to the acknowledgement of the Chair of the meeting, and if possible confirm their participation by live video display.
 - b) When participating making a motion, or participating in debate, the virtually attending member shall verbally request the floor from the Chair, and may be assisted in garnering the attention of the Chair by the moderator or recoding secretary or other administrative officer present in the meeting.
 - c) When speaking, and when voting on matters, the virtually attending member should, when feasible pending service connection, turn their live display video on.
 - d) In voting on a matter, the virtually attending party, or parties, shall be called on by the Chair to give their vote verbally, one at a time, following the call of the question and voting by those parties that may be attending the meeting physically.
 - e) If the matter being voted on is a question requiring a secret ballot, the virtually attending party, or parties, shall be permitted to either email or text message their ballot to the Chief Administrative Officer, or Designated Officer or Clerk, and have it received and counted as in the normal fashion. In exercising this option, virtually attending members shall be permitted not more than 5 minutes from the time voting is declared "open" by the Chair to submit their vote; late receipts will not be accepted and shall be deemed an absent vote.
 - f) When a council member or other participant is included in a Closed Session meeting and participating by Electronic Means, the virtually attending member shall be asked to verbally confirm to the Chief Administrative Officer, or designate, that they are attending the Closed Session alone.

49. When making access by Electronic Means available to the general public:
- a) The access codes and numbers for the approved Electronic Means shall be contained within the meeting notice and agenda for the meeting and distributed by the same means used to circulate the notice of meeting and agenda.
 - b) Except where public participation is expressly allowed, such as a public hearing, public participants shall be muted and may be disconnected from the meeting by the moderator of the meeting for disruptions due to noise, unauthorized comment or any disruptions which hampers the effective conduct of the meeting, at the discretion of the Chair.
 - c) Where public participation does involve receiving comment from the public, such as in a public hearing or open gallery provision, comments will be received verbally in a manner of order determined by the Chief Administrative Officer based first on requests to speak received before the meeting, concurrently during the meeting (for example in the "chat box" of the electronic meeting platform, and then finally any last comments arising from the floor. The conduct of these comments shall be respectful and follow the same decorum and process as if made in physical attendance.

Introduction

Relationships among people are a critical element of municipal business. This Plan provides some guidance about how the Summer Village can maintain good relationships through appropriate public input regarding decisions made by Council.

It is anticipated that the readers of this document will be:

- a) those in municipal administration who are responsible for integrating public input opportunities into municipal projects and plans,
- b) those on Council who will be making decisions about appropriate public input,
- c) those in municipal administration who will be determining if developers or other proponents have provided for an adequate public input process, and
- d) those who own property within the municipality

Public Input

The Purpose of Public Input

Municipal Councils make decisions in public for the public good. This plan supports the involvement of citizens in these public decisions. The public input is sought after when there is a decision to be made that will impact the residents of the Summer Village. Public input is valuable for decisions that impact residents for three reasons:

1. It helps strengthen the relationship between the council and the citizens of the Summer Village
2. It informs the citizens of the Summer Village, therefore, minimizing complaints and costs caused by last minute changes
3. It leads to better solutions for everyone involved in the Summer Village

Determining When Public Input is Needed

Public input is essential to the municipal decision process. The Municipal Government Act (MGA) has a legal requirement for Council and Council committees to conduct business in public and to ensure the public is notified of certain kind of decisions.

Most of the decisions made by council can be or are enhanced by public input. The few situations where public input is not required are referred to as directive decisions. Directive decisions are those made by a person authorized to do so, and are issued to others simply to inform them the decision has been made. The situations where a directive decision is appropriate are as follows:

1. There is an urgent need to respond immediately (e.g. flood response).
2. A person in authority is acting within their authority (e.g. police carrying out their duties).

3. The decisions are routine and are accepted as part of the municipality's operations (e.g. snow removal after a heavy snowfall).
4. The decisions are dictated by law (e.g. improvements to water treatment plant).
5. The decisions have substantial effect only on those who have already agreed to be affected through some form of contract (e.g. employment, volunteerism, accepting elected office).

In these cases, the municipality is acting within its authority and is expected to implement the decision efficiently. These decisions are posted to the public through the website and the community information signs. The public can also contact the Summer Village's office if they have any questions or concerns about the decisions made.

Public input is necessary when consultative decisions are to be made. These types of decisions usually have one or more of the following characteristics:

1. Public notification and input are required by law (see MGA requirements in the Introduction).
2. The decision is a known concern of other parties, or is likely to have a significant impact on other parties (e.g. a proposed casino).
3. The decision affects society's moral or emotional expectations (e.g. expansion of a recreation centre).
4. The decision affects the "comfort envelope" (lifestyle or habits) of citizens (e.g. road closure affecting how people access the highway).
5. People perceive there are risks associated with the decision (e.g. approving a "half-way" house to support convict rehabilitation).
6. Council or administration requests public input prior to making the decision (e.g. public buildings or open space management).

Consultative decisions are common in municipalities, however, the final decision rests with Council. For consultative decisions, public engagement is required. Ways in which the Summer Village encourages engagement is through surveys, the annual gatherings, council meetings that are open to the public, and annual newsletters.

Ways in Which the Summer Village Solicits Input

During the decision making process, the following questions will aid Council and Administration when determining what manner of public input is required:

- What kind of decision is being made?
- Who is going to be affected?
- How will those affected perceive the matter?

After asking these questions, Council and Administration can determine, choose from the listing above, which way public input is carried out.

While the MGA defines the minimum legal requirements for a municipality to provide public notification which are strictly followed, some additional ways that public input is and can be petitioned by the Summer Village are:

- Summer Village website page
- Annual picnics, gatherings, information meetings
- On-line or Paper Surveys
- Community information sign
- Annual newsletters
- Council meetings
- Mail outs

These methods are used to encourage public input from a variety of people who belong to certain demographic groups. This allows for a wide range of input to help Council members come to a decision that can help satisfy the needs of the Municipality.

Resources

Resources are available to help residents develop more informed inputs for decisions regarding the Municipality. The following resources are posted on the Summer Village's website:

- All policies that effect the Summer Village
- All bylaws that effect the Summer Village
- All meeting agendas and minutes from Council meetings
- Contact information for the Summer Village

With the help of these resources, Council and Administration hopes that the public will utilize them to help make better informed inputs.

REGARDING BREACH OF THE CODE OF CONDUCT**

Where a member of the public, a Member of Council, a Member of a Council Committee or other body established by the Council, or an employee of the Summer Village of South View, has reasonable grounds to believe that a Member has breached this Code, a complaint or request for inquiry may be submitted in confidence to the Integrity Commissioner or to a designated alternate in the absence of the Commissioner.

All complaints or requests for inquiries must be in writing and should include:

- a) the complainant's name and contact information;
- b) the name of the Member(s) to whom the complaint relates;
- c) the nature of the alleged contravention;
- d) the specific provision(s) of the Code allegedly contravened;
- e) names of any witnesses to the alleged contravention;
- f) any other supporting documentation that will assist the Commissioner in evaluating the complaint.

The Commissioner may refuse to undertake an investigation if the complainant fails to provide sufficient documentation to support their complaint.

If after reviewing the complaint, if the Commissioner determines that the complaint is an allegation of a criminal nature consistent with the Criminal Code, the Commissioner will inform the complainant that the allegation must be made through the appropriate police service.

If the complainant is a Member or municipal staff, the Commissioner will review the complaint to determine if it falls under any of the Summer Villages harassment or respectful workplace policies, procedures or directives intended to ensure a working environment free of discrimination, bullying and harassment. If it does, the Commissioner will advise the complainant to contact the appropriate party (CAO, Manager or Supervisor) to initiate the process outlined in the applicable policy, procedure or directive.

Formal investigation of any complaint will be at the discretion of the Commissioner. If the Commissioner finds the allegations to be frivolous or unsubstantiated he or she may decline to conduct an investigation and will inform the complainant of this decision.

If it is found that an investigation is warranted, the Member whose conduct is in question will be provided with a copy of the complaint and supporting documentation

and be given the opportunity to provide a written response to the allegations being made.

Once the investigation is complete, the Commissioner will submit a written report which may include statements from both the complainant and the Member who is the subject of the complaint as well as a recommendation for appropriate sanctions (if any) to the Council of the Summer Village of South View. Neither the Member who is the subject of the complaint, nor the complainant may attend this closed meeting session but they may submit written statements to the Commissioner for consideration and inclusion in the report to Council, if they choose to do so. Council (excluding the Member who is subject of the complaint) will then determine what sanctions (if any) will be imposed. In the event that all of Council are the subjects of the complaint, it will fall to the Commissioner to determine what sanctions (if any) will be imposed.

The Commissioner may recommend that Council impose any of the following sanctions:

- a) Require a written or verbal public apology;
