### 2017 World Mission Sunday Appeal

**Sunday, October 22** will be World Mission Sunday and there will be a second collection to support Catholic missions throughout the world. Each October this celebration leads us to the heart of our Christian faith – leads us to mission, as Pope Francis explains.

On this day, we are called – as baptized Catholics – to celebrate and support local churches in Asia and Africa, the Pacific Islands, and parts of Latin America and Europe, an area that covers more than half the territory of the globe. Through the work and witness of mission priests, religious and lay leaders, the poor receive practical help and experience God's love and mercy, His hope and peace.

This year, we are invited as well into a special opportunity to engage with Pope Francis and learn more about his missions. To do so, simply scan the image below or visit [ChatWithThePope.org](http://ChatWithThePope.org).

Open the Facebook Messenger App, go to the People tab, then select SCAN CODE and scan the code below.

# Saint Francis of Assisi

Saint Francis of Assisi - October 4

He was the son of Pietro Bernadone, a rich cloth merchant. Though he had a good education and became part of his father's business, he also had a somewhat misspent youth. A street brawler and some-time soldier, he was captured during a conflict between Assisi and Perugia, Italy, and spent over a year as a prisoner of war. During this time he had a conversion experience, including a reported message from Christ calling him to leave this worldly life. Upon release, Francis began taking his faith seriously.

He took the Gospels as the rule of his life, Jesus Christ as his literal example. He dressed in rough clothes, begged for his sustenance, and preached purity and peace. His family disapproved, and his father disinherited him; Francis formally renounced his wealth and inheritance. He visited hospitals, served the sick, preached in the streets, and took all men and women as siblings. He began to attract followers in 1209, and with papal blessing, founded the Franciscans based on a simple

statement by Jesus: "Leave all and follow me." In 1212 Clare of Assisi became his spiritual student, which led to the founding of the Poor Clares. He visited and preached to the Saracens, and tried to convert the sultan of Egypt during the Fifth Crusade. He composed songs and hymns to God and nature. He lived with animals, worked with his hands, cared for lepers, cleaned churches, and sent food to thieves. In 1221 he resigned direction of the Franciscans.

While in meditation on Mount Alvernia in the Apennines in September 1224, Francis received the stigmata, which periodically bled during the remaining two years of his life. This miracle has a separate memorial on 17 September.

On his deathbed, he said over and over again the last addition to his Canticle of the Sun, "Be praised, O Lord, for our Sister Death." He sang Psalm 141, and at the end asked his superior to have his clothes removed when the last hour came and for permission to expire lying naked on the earth, in imitation of his Lord.
