Holy Land Journey with Jordan

Reverend Father Roberto 'Tito' Ignacio.
(November 05-15, 2017)

November 01, 2017

Dear Participants,

Here it is...4 days to go! Here is our very last pre-flight reminder:

- 1) Please remember, this is still a pilgrimage and people can see your posts.
- 2) Bathing suit for the Dead Sea. Time permitting, you may go and swim/ float. However, please do not try and bring fish, your blood pressure may go up.
- 3) Clock. Don't forget to set it back ONE HOUR. Or else you'll wonder we aren't at the office yet (it's because you're an hour early!)
- 4) Facebook Private Group Page. Karen has set it up. Many of you have already joined. Just go to Facebook, look for Karina DeJesus Santos. You have to Friend request her. Maybe you can also tell her to accept me as a friend. ☺

We have gone out all out as you are our last group of 2017. No pressure on us (can't have my hair fall out anymore). We look forward to seeing you November 05, and the pictures and posts while there, and upon your return. If you post your pictures on our Facebook page, we can post it on our website. No names will be provided, and no residuals given.

Finally,

- Passport. Last time, please make sure it's current.
- Weather appropriate clothing (walking shoes too). You know what you can handle, handle what you can.
- NO wheelchairs reserved for the trip (airport only). It's \$200 a day and NOT included in your cost. So please, pace and patience.
- Rate of exchange already provided. We cannot exchange your money.

Congratulations to those renewing their vows, happy birthday to our celebrants, may your praise be loud, and your prayers heard!

Respectfully,

Alex and Karen Santos
