

Dear Parent/Guardian,

One of our most important objectives is to provide a safe learning environment for students and staff. School safety requires a partnership between schools, parents, and students. The purpose of this letter is to notify you of an increasing problem for Kentucky schools, and ask for your help.

In recent years, Kentucky schools have received a growing number of threats of harm to students and employees in the school setting. These threats have caused widespread fear throughout school communities and have resulted in significant disruption to the educational process. In some cases, school officials had to close school(s) to investigate the threats. In other cases, school attendance plummeted for days after the threat was made. These types of threats take an emotional, instructional, and financial toll on students, staff, and parents.

Intentionally making false statements by any means, including electronically, for the purpose of causing evacuation of a school building, school property, or school sanctioned activity; causing cancellation of school classes or a school sanctioned activity; or creating fear of serious bodily harm among students, parents, or school personnel, is *Terroristic Threatening in the Second Degree* (see attached KRS 508.078).

Threats to our students and staff are unacceptable, and school district officials will ***pursue legal charges for Terroristic Threatening in the Second Degree*** against anyone who makes such threats, including students. It is not necessary for the individual to have a plan, or to have taken any action in connection with the threat, to be criminally charged. *Terroristic Threatening in the Second Degree* is a "Class D" felony that carries a sentence of not less than one, nor more than 5 years in prison for persons charged as adults. When coupled with substantial conduct to prepare for or carry out the threatened act, *Terroristic Threatening in the Second Degree* is a "Class C" felony carrying a sentence of not less than five, nor more than 10 years in prison for persons charged as adults. Class C and Class D felonies also carry fines of \$1,000 to \$10,000. Persons charged as minors are subject to confinement in a juvenile detention facility, probation, and fines.

Given the serious consequences to individuals making terroristic threats, and the needless disruption of the educational process, it is very important that you discuss this topic with your student(s). By raising awareness, we hope to prevent needless disruption to the school environment, and unnecessary and expensive criminal charges incurred by families. Please join our efforts by educating your son or daughter on the seriousness of terroristic threatening.

If you have any questions or concerns, please contact me at your convenience.

Sincerely,

A handwritten signature in cursive script that reads "Jenna Gray".
