

Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

The DfE Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following Objective and Indicators:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is important to emphasise that the focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. You should not however use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming

This template is designed to support you in your planning and reporting of the PE and Sport Premium funding for over an academic year.

Once completed it must be published on your website.

PE and Sport Premium Impact Review

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school				
Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
To continue to have active lunchtimes	Children are more active during playtimes	£300		
To continue to have 'dance' lunchtimes: disco, cheerleading	Children increased activity at playtimes Engage more children in being active at lunchtimes	£100		
Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				
Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
Purchase cheerleading equipment	Engage more children with attending after school clubs	£100		
Increase resources and equipment as the school grows	To ensure adequate equipment and resources for number of children.	Included in carry forward		
Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport				
Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
Primary specialist teacher to lead staff meetings to support staff KSU of teaching and learning in PE	Increased knowledge, skills, understanding and confidence in teaching and progressing children's skills in PE	N/A		
Indicator 4: Broader experience of a range of sports and activities offered to all pupils				
Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
Invite yoga instructor	Supporting children's well-being	£250	Children requested additional sessions	Booked for next academic year

Yoga sessions for each year group	Supporting children's well-being	£500	Children requested the sessions continue next year	
Additional swimming lessons for Year 3 children	Increase number of children able to swim 25m	£1,000	Increased number of children achieving 25m	Booked for next academic year following the statutory lessons

Arrange for 'Teddy Tennis' to deliver after school sessions for KS 1 and 2	Increase the range of sports offered after school	£800	Sessions ran at capacity	Booked for next academic year

Indicator 5: Increased participation in competitive sport

Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
SSPP: Festival of Sport for each year group	Children experienced a range of sports	£180	Sessions appropriate for Reception & KS 1 Not appropriate for KS 2	Will not book next year. Hoping with increased pupil numbers KS 2 will be able to take part in competitive sport locally.

As a new and growing school we have not had high enough pupil numbers in key stage 2 to take part in competitions in the locality.

The school is situated on the very edge of Milton Keynes and therefore travelling to events will need transport.

With pupil numbers growing we will carry forward an amount of money to support leasing a minibus next year enabling children to attend sport events.

Meeting National Curriculum Requirements for Swimming and Water Safety

The pupil outcomes of the statements below <u>must</u> be reported on the school website for the current Year 6 cohort	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres ?	58%
What percentage of Year 6 pupils can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	58%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	58%

Schools may choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements already in place in the school.
