Teacher Leaders,

Mother Nature has given us some challenges with scheduling in January. We'll see what February holds!

We are going to combine the elementary and secondary Teacher Leader meetings and hold them both together on Tuesday, February 19th at Highland Community College on the 2nd floor at the Student Conference Center.

Tim Reilly will be joining us in the afternoon for his updated presentation on Reaching and Teaching Gen Z. (12:45-2:15) Any colleagues or administrators from your school wishing to learn strategies for reaching this generation of students or business people from your community wishing to learn more about this generation of consumers are invited to join us. You are encouraged to invite interested stakeholders. If they plan to attend for the entire day, please have them register online at www.roe8.com so we can get a count for catering.

If you cannot attend, feel free to send a replacement. If no one from your school will be attending, please let Deanna know so we can adjust the catering count.

I'll send a more detail agenda as soon as possible but wanted to let you know about the 19th so you could work on getting subs.

Thanks, Deb
