**Sunday, May 31, 2020 at 11 a.m. our next One Island Family zoom gathering: JIM SMITH-
"The Many, not the Few"** Who is the government for? Those with great wealth have great influence over lawmakers. Lawmakers design the rules of government. Slowly and invisibly, those with great wealth have tilted the rules of government to maintain and reinforce their wealth and power. The once-great "middle class" has been minimized. Today, the 400 richest Americans have more wealth than 50% of the entire population. This can be framed as a "Social Justice" issue. Discussion based on Robert Reich's 2015 book *Saving Capitalism*. Look for the Zoom link to this service on Friday, May 29th by email.

Sunday, June 7, 2020 begins our series **"TAKE A TURN FOR ONE ISLAND FAMILY"**

a) Tell about a Unitarian Universalist whom you admire. This could be a person living or deceased. Research that person and share 10-15 minutes highlighting what they did or how they made the world a better place.

b) Tell us about the first UU service or event you attended, and what brought you back again. This time of sharing will help us get to know each other!

Sunday, June 7, 2020 will feature Toby Armour " Albert Schweitzer"

Sunday, June 14, 2020 will feature Audrey Waldman "Christopher Reeve"

If you are ready to take a turn in June, please call Marilyn Smith (305) 304-3592. (How about researching and sharing a famous woman from our UU history? See suggestions in our June OIF newsletter. Oneislandfamily.org, "news") Look forward to seeing new faces doing our zoom presentations!!
