<b><u>MONDAY</u></b> <b>TREASURES OF THE PAST</b>	<b><u>TUESDAY</u></b> <b>WHAT'S IN OUR WATERS?</b>	<b><u>WEDNESDAY</u></b> <b>MODERN PIONEERS</b>	<b><u>THURSDAY</u></b> <b>ADVENTURES IN PARADISE GARDENS</b>	<b><u>FRIDAY</u></b> <b>PLANES, TRAINS AND AUTOMOBILES</b>
Discover the difference between archaeology and paleontology.  Create your own fossils, excavate a cookie, and create a pendant.	Learn about some of the creatures who live in our waters, and how to help prevent water pollution.  Conduct a water tank experiment, touch some underwater creatures, an ocean	Find out what life was like during pioneer times while trying your hand at some pioneer crafts.  Learn to weave using a piece of cardboard, and make ice cream, soap and old fashioned toys.	Explore the wonders of the Museum's pollinator garden.  Observe pollinators, dissect a flower, create geometric butterflies, and more.	Discover the marvels of modern transportation.  Create a train that moves with magnets, race a paper airplane, and build your own rubber-band racecar.
Florida Public Archaeology Network will discuss archaeology and bring an activity!	Choctawhatchee Basin Alliance and Officer Snook will help explain what's in our waters!	Heritage Museum of Northwest Florida preserving the past for future generations!	Valparaiso Garden Club will help in the exploration of the garden!	The Air Force Armament Museum will bring plane models, and discuss the history of planes!
