MEETING MINUTES FROM MAY

The River City Cruisers Car Club meeting was held at the Hermann city park on May 23, 2017 with 15 members present.

The meeting was called to order by President Doug Smith. Lynn Mead, treasurer, reported a balance of \$6006.39 after paying for trophy medallions, rental space and postage. We still have the scholarships to pay out and the donation to Crusade Against Cancer (\$1500).

Lynn reported on the trophy and t-shirt sponsors and has a list of who is collecting from specific businesses. She also has a letter to hand out to prospective sponsors introducing our club and explaining how our proceeds from the car show are disbursed. She also reported that two t-shirt sponsors need to be replaced and asked for suggestions.

Scholarships were awarded to Dalton Bickmeyer and Brandi Buesking.

Crusade Against Cancer is June 9, the same date as our regular cruise night. We will meet at Hardees at 5:30 and leave at 6:00 to cruise to the riverfront park. There will be reserved parking for our cars.

Doug Smith reported on the t-shirt quotes that he has received and samples of the shirts. Last year's shirts came from Rich Winkelmann at Riverbank Apparel at a cost of \$10 and \$12 for larger sizes. Dawn Fries of Dawn's Sweet Tees quoted \$14 per shirt. John Mead reported that the company that had previously printed our shirts quoted \$14 per shirt. Key Sport Shop in Rolla quoted prices for Gildan shirts at \$6 and \$8 for larger sizes, and heavier Hanes shirts for \$8 and \$10 for larger sizes. There were samples of both shirts to examine. After discussion, Susie Horstmann made a motion to order the Hanes shirts and sell them for \$12 and \$15. Josie Erlfing seconded the motion. After a vote was taken, the motion passed. Doug will call Key Sport Shop to confirm the order after all t-shirt sponsors are finalized.

Lynn read several thank-you notes that were received. She also suggested asking Nick Engemann to bring the ARCH helicopter to the car show for tours. Everyone was in agreement that it would be a good idea and Lynn will contact him.

Doug was approached by Nick Godat about taking our cars to Victorian Manor on June 16 during an event being held for the residents. We will meet at Hardees at 5:45.

Rob Schwartz asked if anyone had heard ant more about a movie night being held at the Iron Spike Railroad Museum in

Washington. As of now, no date has been set as far as anyone in the club knows. Lynn volunteered to contact them for more information.

Members of the club had previously presented suggestions for encouraging youth to take part in the upcoming car show to Terry Rehma. He was pleased with the plans that were presented at the April meeting.

The next cruise night is June 9th as part of the Crusade Against Cancer event at the Riverfront Park. The next meeting will be on June 27th at the city park. See the Schedule of Events for other upcoming events.
