Attention: Parents of children with attention and focusing problems. The benefits of chess to help your children are well known and we are going to be starting a program of classes where the ratio of trained instructors to students will be small. End of School Year Chess Celebration Sunday, June 23, 2019 at Greenfield Hall, 3803 114 Street

& Chess Family Picnic ^{Pot-Luck}

We are starting this tournament a bit later than usual, so that we can start the Chess Family Picnic closer to the supper hour, around 3:30. There will be the playground and some outdoor games to entertain players who finish their games early and for other families to join in. The Roving ChessNuts will be providing beef and veggie burgers and hotdogs, condiments, a snack bag and a juice drink for all players and their family members. We are asking families of players to join in the picnic and bring with them perhaps a cultural or ethnic entrée, dish or dessert with a couple of extra servings to share with others. Please mark on the online entry form, how many family members will be involved in the picnic and what you will be bring to share. If you wish to help out with the food or supervise a game, mark that on the form as well.
