SPORTSMANSHIP

The EPIC SOCCER CLUB feels very strongly that the most important trait we are trying to convey to our players, coaches, and parents is good sportsmanship and fair play. We feel very strongly that displays of poor sportsmanship by players, coaches, and parents will not be tolerated by this club. We are requiring each player, coach and parent to sign receipt of this memo to insure that they have read this information.

An incident report is required to be mailed in to the club within 48 hours of an incident of poor sportsmanship. A copy of the report is attached. It is the coach's responsibility to turn in the report. If it is not mailed in within 48 hours, the coach may be dismissed by the club through Board action.

Incidents that must be reported to the club include all cards received and other acts observed by the coach. Most leagues in which EPIC is involved also require these reports through the league representative. An example would be; a coach has to say something to a player or parent concerning sportsmanship before, during or after a match. The coach is required to turn in a report if such an action is necessary. All cards are reviewed at the monthly Board meeting. Repeated offenses and any red card will result in the player, coach, and parent being required to attend the Board meeting to review the offense and determine what action will need to be taken to alleviate future problems.

We have read the above and agree to try to the best of our ability to always act in such a way as not to bring discredit to our team, players, referees or other people associated with EPIC SOCCER CLUB. We also understand that repeated offenses may result in disciplinary action taken by the EPIC SOCCER CLUB and we agree to abide by their decision. Multiple offenses may result in the player being suspended from the Club.
