What we do

When you support the Eldorado PK-8 PTO, you also support initiatives that enrich our children's learning. PTO's work focuses on three key community impact areas:

- **Student/family support:** We strive to ensure that all students are successful and prepared for the future and that families feel welcome in the Eldorado community.
- **Teacher/staff support:** We help teachers and staff engage and empower children.
- **Building support:** We keep Eldorado up-to-date and state-of-the-art.
