

# Northwest Suburban Integration School District Inter-District Partnership (IDP) Series 2019 – 2020

## Engaging People in Public Dialogue and Problem-Solving

**Wednesday, March 4, 2020, 8:30 – 11:30 a.m.**

Tension among different racial and ethnic groups is a real problem in communities across the country. It affects whether we can get along in our schools and in our communities. Our daily lives are affected in many ways from how we respect each other, how we treat each other, and how we deal with conflict.

As a participant, you will:

- ❖ Be guided by NWSISD Program Specialists through a World Cafe to engage in conversation regarding authentic welcoming environments
- ❖ Use the conversations to deepen your understanding of authentic welcoming environments in your schools and communities
- ❖ Reflect on learning from the session and create a personalized action plan
- ❖ Receive access to additional resources to share with colleagues, family and friends

*Administrative CEUs will be available  
Registration paid by district membership fees*
