

Stella King of Sevenoaks. It is with great sorrow that I report death of Stella on 2nd November last year. Stella, with husband Julian, had been members of our Society from the start. They were regular dancers for many years with David & Janet Blackwell at their Felbridge club and also their Saturday dances at East Grinstead. They also attended David & Wendy Griffiths' dances at East Grinstead after David & Janet retired. They enjoyed Old Time Dancing so much that in 1997 and qualified with the BATD as teachers and started their own club in Sevenoaks and spent many years teaching Old Time and Sequence dances to a very loyal group. They also ran Friday & Saturday evening dances at various locations very successfully until the lock-down put an end to that. Stella very bravely endured an arduous seven-year battle with cancer but finally lost her battle at The Hospice in the Weald at Pembury. Her funeral was held on the 23rd November and attended by over 90 people; Julian says that he doesn't think that she realized how well liked she was. We add our condolences to Julian at this very sad time. President Fred.
