HIGH SCHOOL SPEECH, GOVERNMENT, AND CIVICS

Time: 3rd Period, Noon- 1:30pm

This is a 1.5 credit class for high school students with .5 credits given for each subject. This course will explain the three branches of government – the legislators, administrators, and the arbitrators in the administrative bureaucracy.

Students will learn of the mechanics and the principles of a constitutional government, which will all be taught from a biblical perspective. This course will also tie in with speech as well as civics throughout the entire year. The speech portion will cover interviewing, public speaking, and communication.

If students do well in this class, they will be equipped to CLEP the federal government core class at local colleges.

My class tuition is \$60 per month per student if you are paying monthly. Family discounts may apply. There is also a nice discount if you pay for the first semester at registration and the entire second semester in January. A discount also applies if you pay for the whole year in August. See the chart below for the discounted amounts.

The class supply/admin fee is \$75 per student for students registering in May to cover additional handouts that will be distributed throughout the year as well as hands-on project materials. The supply/admin fee of \$75 is not refundable. For students registering after May, the class supply/admin. fee is \$100 and is also not refundable.

It is not necessary to purchase a book. I will provide the book for the year, and students will be required to return the book by the second Friday in May, to avoid a "lost book fee" of \$50.
