The increase in revenue is primarily attributable to the commercial success of the film *COLD EYES*, which was produced by SEGI’s subsidiary ZIP Cinema Co., Ltd.

Regarding the results for the fiscal year 2013, Charles Spackman, Chairman and Chief Executive Officer of SEGI said, “We are pleased to announce our 2013 year-end results which increased significantly year-on-year predominantly due to the box office success of *COLD EYES* produced by our subsidiary Zip Cinema. Any production income derived from the 2013 release of *SNOWPIERCER*, which was produced by our subsidiary Opus Pictures, is expected at the end of this current year or next year as the film is still playing in theaters throughout the world. This year, we are looking forward to the release of four films by Zip Cinema and Opus Pictures, and especially to the planned Singapore listing of our subsidiary, Spackman Entertainment Group Limited, expected at the end of June or early July. ”

The audited financial statements for the year ended December 31, 2013 and Management’s Discussion and Analysis of the results, are posted on SEDAR at www.sedar.com.
