Post 346 will be placing a memorial holiday wreath at the Farmington War Memorial Monument (next door to the Masonic Lodge downtown). This annual ceremony is to honor those in the military who never made it home for the holidays and remember those who are currently serving and cannot be with loved ones this holiday season.

*Auxiliary and Sons, please remember...  
It's not the price you pay for membership,  
it's the price your forefathers paid  
to make you eligible for membership!*

I wish to thank all those who supported and participated in this year's **DEB HUET MEMORIAL GOLF OUTING** supporting pancreatic cancer research. We raised \$14,455 with the help of many hole sponsors from the Legion including three great ladies who golfed, Gerry Galinet, Sue Duquette, and Chris Topper. Hole sponsors included the Legion Riders 346, SAL 346, Legion 346 Poker Club, Jan Yount, Rob Holton, and Jan Klamik. Ten years ago the survival rate for pancreatic cancer was only 3%, today that figure has risen to 12%, that small success is due in part because of the generosity of those who donate to this worthy cause.

Thank you, Alan Huet

Commander's Corner...  
Post 346 Commander  
Marya Davis

Fall is my favorite time of year in Michigan. And this year, we have so much to be excited for. Not only did we have a fabulous SAL Trunk R Treat event, but we are all anxiously awaiting the opening of our new Legion building. Still no date for a hard opening but we will resume selling Queen of Hearts tickets soon because our first drawing will be on November 26th with a jackpot expected to be over \$500. Let's kick this off right! Can you sell any tickets for us? Contact me so I can make you an authorized seller.

I do expect our marketing team to be hitting our new neighborhood hard. Again, we need to establish income now that we do not have rentals. If anyone has any ideas for fundraisers in our new space, please contact me as soon as possible. Even if you are willing to cold call three businesses in the area, that would help tremendously! We can offer advertising, their ads on drink coasters, and maybe even beer tumblers showing how that business supports veterans. It is a win-win for everyone.

There are so many people not aware that any veteran in good standing and their family or active duty military is now eligible to join the Legion. We need to increase our membership to survive. Not just for more members, but for more volunteers and our business networking. We can spiral this synergy for our future strength and standing in the community.

So much to do this Fall - Have Fun, Stay in Touch, and Stay Safe.  
In Service,  
Marya Davis, Commander

**Remember:** The membership year is from Jan. 1st to Dec. 31st. Even though you may have already paid your 2025 dues and have your new card, continue to carry your 2024 card as well. Some Posts may insist that you prove your membership with the current year's card. Please carry both in your wallet until Dec 31st if you travel and visit other Legion Posts.

Carol, Eric and Marya having a great time at the SAL Trunk R Treat event! Thank you again to Kings Garage!!

My 2 Cents...  
Unit 346 President  
Carol Hopson

We have all waited so long and been so very patient (most of us) but the time will soon arrive to open the doors of our new home!! This date, of course, depends on completing all the necessary construction inspections and receiving all pertinent licenses. I would like to sincerely thank each and every volunteer and worker who is making our new home a reality.

Thank you to all those who voted for Post Member of the Year. The Exec. Committee has tallied the nominations and the results will be revealed soon. Check your email for more upcoming details.

The Queen of Hearts Progressive Raffle will be resuming weekly drawings on November 26<sup>th</sup>. Our new drawing day will be every Tuesday instead of Monday (except federal holidays). All other house rules remain in effect. We also have a brand new Pull Tab machine, purchased with proceeds from Pull tab sales.

Thank you all so much for renewing your membership for 2025 and moving into this new era in a new home and with a renewed sense purpose to aid our veterans, active duty military personnel and their families. Hope to see you at our next (hopefully in person) meeting. Keep an eye on your email for details on all upcoming Post events.

That's my 2 cents worth,  
I'm always willing to hear yours,  
Carol Hopson, President

It sure looks like our old friend Chaplain Andy is having great time at his new home in Florida! He is resuming his Chaplain duties at his new Post 168 in Key West.

Have you ever been in a cemetery and saw coins left on a veteran's headstone?

A coin left on a headstone lets the family know that someone stopped by to pay their respect. A penny means you visited. A nickel means you and the deceased trained at boot camp together. A dime means you and the deceased served together in some capacity. A quarter is very significant because it means that you were there when that veteran died.

The tradition of leaving coins on the headstones of military men and women can be traced as far back as the Roman Empire. Soldiers would insert a coin into the mouth of a fallen soldier to ensure they could cross the "River Styx" into the afterlife. In the US, this practice became common during the Vietnam war, due to the political divide over the war, leaving a coin was seen as a more practical way to communicate that you had visited the grave than contacting the soldier's family, which could devolve into an uncomfortable argument over politics relating to the war. What happens to the coins? They are typically collected from gravesites monthly and the money is used for cemetery maintenance, the cost of burial for soldiers, or the care for indigent soldiers.

You're always one decision away from a totally different life.

Happy Thanksgiving

Chatter with the Chaplain  
 AUX Unit 346 Chaplain  
 Summer Ploski

Good afternoon friends,  
 We look forward with gratitude in our hearts for the new 346 Post opening this fall. Thank you to all who have contributed to the inside of the building making it suitable to meet the needs of the Post's goals for our veterans. I met up with an AUX member who resides in Saline. She walked over to me and introduced herself after I had presided over a Celebration Of Life service for a man she knew at a local club. She had a smile which brightened her face and kind words thanking me for Chatter with the Chaplain corner in this newsletter! Thank you friend, you made my day!

As promised we will continue reading Psalm 139. This time I sit inside of my house on the loveseat in front of our woodstove. Simply a small fire, almost going out at times. We have not needed much heat during these Michigan days with the highs fluctuating between 50-70 degrees. Psalm 139:4-6 (Yes, written by King David, a shepherd boy who killed the giant Goliath with one stone to his forehead)

*"LORD, even before I say a word you already know what I am going to say. You are all around me, in front and in back. You have put your hand on me. Your knowledge is amazing to me! It is more than I can understand." The word of the Lord.*

Charles H. Spurgeon comments, "I cannot grasp it. I can hardly endure to think of it. The theme overwhelms me. I am amazed and astounded at it. Such knowledge not only surpasses my comprehension but even my imagination!"

Looking ahead...Happy Thanksgiving to all and warm wishes for the Merriest Christmas ever! Until next time, thank you for reading this article!

Love always, Your chaplain and friend,  
 Summer Ploski

Mustache Mike hit the streets once again representing Post 346 at the Detroit Free Press International 1/2 Marathon on Oct. 20th. Mike had a finishing time of 2:49:53. Maybe we should change his nickname to Marathon Mike!

**Scammers use manipulation to steal money and information.** From fear and anxiety to the desire for security or connection, exploiting strong feelings is step one in the scammer playbook. Strong emotions shift your decision making away from the "central processing" part of your brain that carefully weighs pros and cons to "peripheral processing", where you react on feelings and impressions. If you notice you're feeling a strong emotion during an interaction with a stranger (whether in person, through text, email, or social media), recognize the danger, **stop and step away**. When you are in a high emotional state you will make bad decisions. People who shared what was happening with a friend or family member were typically told it's a scam... listen to them!

- Don't click on links or use phone numbers, email addresses, or account numbers provided by possible scammers.
- Set up a crisis code word with family members and friends. Agree on a word to use in an emergency that everyone can remember. Then scammers can't impersonate family members.
- Another trick is for the scammer to slowly build trust with you. If a deal seems to be too good, a stranger seems to be too friendly, be wary.
- If someone tries to rush you, "YOU MUST ACT NOW!" don't!
- Most scammers disguise themselves as trusted sources, large corporations, government agencies, banks, etc. Remember most reputable businesses and agencies will never contact you via email, text or social media, they send letters through the mail and typically give you ample time to reply.

# SAL Trunk R Treat

We had a great time at our 5th Annual SAL Trunk R Treat event! We had our largest turn-out ever with 17 vehicles handing out treats to approx. 250 kids from our community! A big thanks to King's Garage for hosting!

Our buyer began demolition of the old Post building on Oct. 21. Rest in peace faithful old friend. You have steadfastly served the members of Groves-Walker Post 346 since 1948. We will miss you.

*The difference between stumbling blocks and stepping stones is in the way you use them.*

### What is R.E.D. Friday?

R.E.D. stands for Remember Everyone Deployed. Americans across the country wear red every Friday to serve as a reminder and spread the message of how important it is that we keep our troops in our thoughts.

## Post 346 Membership Eligibility

Deceased veteran does not have to have been a member of the American Legion.

### **Sons of the American Legion membership eligibility.**

Deceased veteran does not have to have been a member of the American Legion.

**We know how hard it is** to know everything you need to take care of when a loved one passes away. Legion Service Officers can help a deceased veteran's family receive all the benefits they may be entitled to. Remember, and tell your loved ones:

- 1) **Know where your DD-214 is, show your family.**
- 2) Tell your funeral director the deceased was a veteran.
- 3) Contact your Post, and not only can you receive the help of a Service Officer but, the Post's Honor Guard can help with a military funeral service.
