New Business:

1. Discussion concerning new league program was opened. Several league operators are experiencing great difficulty with the In2Pool system. Ira Miller had a representative from Comp U Sports who gave us a brief description of what this program can do. In an outline it is easily accessible, it has 24 hour tech support for operators, and it is more up to date than In2Pool. After further discussion changing of the league program has been tabled until next year. A select three operators will be running a test league, with the new program, and will

report back at the August/September meeting. League operators using the test site are; Iowa City Metro, Quad Cities, and Fischels Music. Ira Miller, from Camden, is already using the program with no difficulties at all.

2. Discussion of opening up league nights was presented and met with opposition and therefore no further discussion.
3. Discussion was opened for league operator cross over. Major arguments were presented and no further discussion or vote.
4. Discussion was opened to discuss Quality Inn requirements. Quality Inn wants to require a 3 night minimum stay. Operators suggested limiting reservations to a 5 rooms per person maximum. Julie will re-meet with Quality In staff and notify us of the outcome.
5. Discussion was opened to eliminate the master team player status. It was voted that we keep the master team player status.
6. Discussion was open to amend the By-Laws.

The By-Law 5.2 states: Fiscal Year. The ISPA shall operate on a fiscal year beginning with the first day of June and ending with the last day of May each year.

Amended 5.2 Leagues starting prior to June 1st will be allowed to sanction their players for the upcoming year.

Old Business:

1. Renaming level 1 and level 2 divisions. After discussion it will be as follows: Level 2 now becomes open division. Level 1 now becomes intermediate division. Masters levels 5,6,7 in both men and womens divisions.
2. Discussion was opened to discuss master team handicap. Due to time constraints it was decided to leave alone for a two year span and discuss at tournament end 2015.

Motion to adjourn by Terry Anderson. Seconded by Louie Bartels. Motion carried. Meeting adjourned 4:45pm.
