8. All buyers have the right to have a horse vet inspected and blood drawn for blood test, if they so choose at their expense. Horse cannot leave grounds and must go directly to Bowman Auction Market's veterinarian by Monday, May 13, 2019.
9. **The sale committee reserves the right to reject any horse from consignment up to sale time.** You will be notified if your horse fails our selection.
10. The sale committee guarantee of a horse will be limited to Tuesday at noon following the sale. After that time frame, all other guarantees are between the seller and buyer. We feel the new owner should have been able to ride the horse and find any misrepresentations by then.

13. Seller's are required to have a negative Coggins test performed, sufficiently in advance to sale, so results are ready when horse arrives. Test must be done within 6 months of sale date. Any horse arriving without a negative Coggins test, bill of sale (if applicable) and brand clearance will be removed from sale and fees will be forfeited.

14. A halter and lead rope must be furnished by seller for each horse. Horse must be returned to original stall following sale.

15. All horses must be shown under saddle in the preview. There will be two horses in the arena at a time. Roping cattle will also be provided.

16. Absolutely no alley trading will be allowed. We ask that any after ring agreements be run through the office for appropriate payment & transfer of horses. Anyone caught alley trading will be banned from further sales.

17. **Once horse(s) is consigned, horses are bound to the sale.** Buyers travel a long ways to bid on cataloged horses. It is sale managements hope that consignors understand this and will refrain from selling horses before the sale. Management works very hard to advertise and find buyers for each and every horse.

18. As horsemen ourselves, the management of the Southwest Select Broke Horse Sale understands that no horse is perfect. ***We ask that each consignor admit to any lameness, behavioral/health issues and level of experience in the ring to the public.*** We are striving to have an "honest" man's horse sale so as everyone knows what they are getting up front.

19. **Seller has the right to put an absolute bottom bid on his/her horse. This must be known to the auctioneer when the horse enters the ring or before. Auctioneer reserves the right to no sale said horse if bottom is not reached.**

I do hereby release the Southwest Select Broke Horse Sale management, Bowman Auction Market, auctioneers, employees and representatives thereof, from any and all responsibilities, liabilities, obligations, claims, law suits and legal proceedings arising from the sale of this entry and hereby agree to hold the above named parties harmless from any resulting claims, actions, liabilities or judgments. I also hereby agree to the terms and conditions set forth above and further swear that all information provided is correct to the best of my knowledge.
